

Stirling bowlers win zone championship

STIRLING BOWLERS WIN ROUND

This happy foursome emerged victorious Sunday in the Zone Round of the third annual Col. Sanders Ladies Daytime

Bowling League championships at Stirling Bowl-O-Drome. By defeating a team from Campbellford 3273 to

3177, the Stirling Scotties are now eligible to enter the Provincial Round. Members of the team (from left) are Alice

Melton, Lorna Wrightman, Linda Barron, captain, Helena Oosting and Nellie Smith.

RUNNERS - UP FROM CAMPBELLFORD

The Super Jets of Campbellford took second place in Zone Round competition of the

Col. Sanders Ladies Daytime Bowling League championship held in Stirling on Sunday

afternoon. The team members are (from left) Geraldine Fisher, Evelyn Hopkins, June

Tutt, Eileen Carlaway and Frances Watson. The Super Jets lost out to Stirling Scotties.

New postal rates are announced

Canadians mailing unsealed Christmas cards this year will have one rate for destinations in Canada and the United States, and a choice of two rates for overseas points, the Post Office Department announced today.

The rate for destinations in Canada and the United States is 6 cents. The cards must be unsealed, and they travel by surface mail.

For overseas destinations, the choice is between the Non-Priority (Surface/Air/Rail) rate of 8 cents, and the Priority (Air/Rail) rate of 12 cents.

Non-Priority (Surface/Air/Rail) means that the mail may travel by surface, but will be airfreighted part way or all the way through to destination wherever possible (on a space available basis).

Priority (Air/Rail) means that the mail travels by air right through to destination.

In both cases, the cards must be unsealed.

For persons wishing to seal

their cards, the rates are as follows: To destinations in Canada, 7 cents (First Class rate); automatically travels by air; to the United States, either 7 cents (surface) or 10 cents (air mail); to overseas points, 15 cents (automatically travels by air under the new International All-Up Service).

All rates quoted above are for cards weighing up to one or two ounces, depending on the category. (Check with your local Postmaster).

In 1970, Canadians mailed approximately 155,000,000 Christmas cards. The Post Office staff of 48,000 more than doubles in December to handle the extra load.

In 1971, the deadline dates for cards sent by surface are as follows: Distant points in Canada and the United States - December 8th; Other out-of-town points in Canada - December 13th; Delivery within your own town - December 17th.

Hastings holds warden's banquet

Fewer speeches and more entertainment is the new trend for the annual Hastings county warden's banquet.

Such was the order of procedure at the Royal Canadian Legion Hall on Pinnacle Street Friday night when Warden Kenneth G. Smith of Elizaville town, who was host to more than 300 county councillors and their wives, along with other invited guests.

Formal proceedings were kept to a minimum consisting of the warden's address of welcome, recognition of past wardens and

a toast to the guests. County Clerk - Administrator Carl Batesman was chairman for the evening's program.

William C. West of Stirling who headed county council back in 1936, was the oldest warden attending the banquet.

Warden Smith and Mrs. Smith received a set of matched luggage from members of county council as well as other gifts from family members and friends.

An hour of professional entertainment from Toronto rounded out the evening's program.

News-Argus Notebook

SANTA'S VISIT - Jolly Old St. Nicholas will make his annual Christmas visit to Stirling on Saturday afternoon, Dec. 4. He will be arriving in downtown Stirling, in the area of the footbridge across Rawdon Creek, at about 2:30 p.m. Children from throughout the village and surrounding district are invited to meet Santa and make a Christmas wish. In conjunction with the occasion, Santa's sponsor, the Stirling Chamber of Commerce, has made arrangements for free skating at the local arena between 3 and 4 p.m. on Saturday.

TWO KILLED - Charges have been laid against Marvin C. Reid, 35, of Foxboro, the driver of one car involved in a two-vehicle collision which took the lives of two Madoc area residents Saturday afternoon at the Foxboro bypass on Highway 14. Dead are James Edward Henry, 57, and Sheila Henry, 20, R.R. 2, Madoc. There were seven passengers in the Henry vehicle.

WINTER ARRIVES - The first major snowfall of the season occurred here Monday night. Several inches of snow brought snowplows out and prompted that well-known Canadian exercise of snow shovelling into action again.

Senior Citizens vs. Air Pollution

Arriving a little late at Senior Citizens last Thursday, I was greeted by the strong odor of a skunk. I traced this to a table where Fred Heasman and Mary Cooke had just flogged Edna Sharpe and Ada Bush in a one-sided game of euchre. There's so much of this stuff in our club that if it leaks out, I fear that we will be visited by the air pollution inspector.

Pearl McGee was introduced as a new member last week and Boy, will she ever make a good member. We also welcomed as visitors, Art and Lena Oshout and Doug and Norma Brown of the Frankford Club.

The president called for the singing of the anniversary song in honor of Ritchie and Flesse Geen who are celebrating their 50th. Goeh, they must have been married when they were kids, they look so young. They say it isn't possible for a woman to live with the same man over 50 years, for after 50 years he's not the same man.

Our very popular Tilley Senior was celebrating a birthday and her husband Jack, who is always Johnny on the spot, presented a great big beautiful cake. Under

the direction of vice president, John Kane; Martha Fitchett, Fanny Kane, Dorothy Summers and Iva Ayrhart served a nice afternoon lunch. Next week we will suffer through another spree of progressive euchre.

Attends recital

Belleville Branch of the Ontario Registered Music Teachers' Association held its first annual recital on Saturday evening, Nov. 27 at Sir John A. Macdonald School, Belleville.

Miss Debra Sine, daughter of Mr. and Mrs. Ken Sine, R.R. 1, Stirling participated at the recital and played Rondo of 36 No. 5 by Clementi. Debra is a student of Mrs. Harold Elliott, R.M.T.

Sunday, November 28 was the day all teams who had won the House Round of the third annual Colonel Sanders Ladies Daytime League Championships met to bowl in the Zone Round to find the team to enter the Provincial Round. Zone "K" bowlers bowled at the Stirling Bowl-O-Drome. There were 5 teams entered in this round, 2 from D and A Lanes, Trenton, 2 from Trent Valley Lanes, Campbellford, and 1 from Stirling Bowl-O-Drome. Each team was given a handicap of 80% of the difference between the 5 bowlers' averages and 1100. It was an exciting competition. At the end of the second game Trenton's Astronuts had 2157, Campbellford's Super Jets 2115, just 4 points more than Stirling's Scotties - 2111.

Stirling's Scotties' third game was their best of the day and the three game results were Stirling's Scotties 3273, Campbellford's Super Jets 3177, Trenton's Astronuts 3150, Trenton's Hopefuls 2994 and Campbellford's Happy Group 2951.

Linda Barron's teammates were Nellie Smith, Lorna Wrightman, Alice Melton and Helena Oosting. They will bowl again in the Provincial Round at a time and place to be announced from Bowling Headquarters in Toronto and each will be sporting the crest they won denoting their right to bowl in this round.

The Provincial winners then go on to bowl in the National Finals which this year will be in the East and will be an all-expense paid trip to Toronto and a victory banquet with Colonel Sanders in attendance.

Encampment officers are installed

The Stirling Encampment No. 80 was visited by A. Williamson from Peterborough, District Deputy Grand Patriarch, who conducted the installation of officers for 1971-72. He was accompanied by his installing team composed of members from district No. 20.

The ceremonies took place on Nov. 17 and the new slate of officers is as follows: J.P.C.P. - John Fox C.P. - Frank Wiley S.W. - John Carlisle H.P. - Cecil Neal Rec. Scribe - George Carlisle F. Scribe - Charles Carter Treas. - Roy Tucker Jr. W. - G. Richardson Guide - Everett Cooke 1st W. - Clayton Burkhitt 2nd W. - Earl Wallace 3rd W. - Ray Sine 4th W. - Glenn Clarke I.O.S. - John Morgan 1st G. of T. - P. R. Sherwin 2nd G. of T. - C. Vandalism at Peace Park

Vandals desecrated the Peace Pagoda Shrine at the Lester B. Pearson Peace Park sometime between October 1 and last week, according to information received by Roy Cadwell, chairman. Inverted three-foot crosses were smeared on the shrine below the inscription from Isaiah 24, "and they shall beat their swords into plowshares, and spears into pruning hooks, nation shall not lift up sword against nation, neither shall they learn war any more."

"This is the type of thing that makes one wonder if there will ever be peace in the world," commented Mr. Cadwell. "Occurring at a time when we are approaching the Christmas season it is even more deplorable. All thinking persons must condemn this type of action," he said.

PERSONALS

Fred McAdam, son of Mr. and Mrs. Harry McAdam, R.R. 3, Stirling has been transferred from Picton's branch of the Bank of Montreal to Exeter, where he will be officer in charge of the sub branch at Centerville. He was assistant accountant at Picton. Mr. and Mrs. Basil St. Pierre and Laurie spent the weekend with Rev. and Mrs. J.B. Small and family, Chatham. On their return to Stirling they called on their daughter, Mrs. Tom Smith at Guelph.

Mr. and Mrs. Ernest Steacy, Brampton, spent the weekend with their brother-in-law, Mr. Cecil Macklin.

Mrs. Frank Linn of Montreal is a guest of Mrs. J.B. Hough, Stirling, this week. Weekend visitors at the home of Mr. and Mrs. Carl Ray, Spring Brook, were Mr. and Mrs. James Tanner, Angie and Robie of Oakton, and Mrs. Doug Fox and Dianne of Stirling; Mrs. Myrtle Cassidy, Mr. and Mrs. Glenn Ray, Brenda and Robie of Oakton; Larry Van Horne and Grant Ray, Belleville; and Miss Sherill Bertram of Belleville.

Education was never like this

On Thursday, two local groups of kindergarten and Grade 1 children went on a bus and train excursion. They left Stirling Junior School in the morning on a bus which took them to the Belleville C.N. train station. Jim Ingram met the children and conducted an interesting

tour of the station, ticket office and baggage room. Then some children purchased a ticket which entitled all the children and their teachers and parent helpers to go by train to Napanee. A bus met them at Napanee and took a very enthusiastic (and tired) group back to Stirling.

The trip evolved from a transportation theme which had been carried on in the classroom during November. The aim of this trip was to give the children a new experience which could be developed in many subject areas when the children returned to the classroom.

Community school association meets

BY THOM REYNOLDS
The Stirling Community School Association was offered the assistance of Loyalist College at a meeting held here last week. L. H. Cameron, field representative, Extension Division, of the college was present at the regular monthly meeting of the association to discuss the programs which could be offered to the village by the college.

He said that the college was placing night school programs and community school programs designed and instructed by the college in outlying villages. There would be a cost for the program and instructor as there is for programs offered at the college in Belleville.

Four programs were of immediate interest to the school association consisting of Mrs. W. Benson, chairman; George Paton, principal of the Stirling schools, and leaders of the already existing programs, Snowmobiling, photography, floral arrangements, and a program in human relations and leadership development were discussed by the group.

Messengers hold meeting

On Saturday evening, November 20 a large number of the Messengers and their mothers gathered at the church hall for the annual Christmas meeting. Margaret Hoard welcomed the group following a period of quiet music played by Jill McAdam. The Junior choir contributed a selection and Brenda Williams read a special message. The offering was gathered by Crystal Knight and Kathy Wrightman and dedicated.

A short play was presented by a group of messengers. Piano solos were played by Joanne Campbell, Lynn Joelin, Ann Bailey, Jill McAdam and Heather Hoard.

Selections were read by Chris Bay and Linda Hoard. Gail Merrick and her friend gave a skit and Jill McAdam was in charge of Christmas carols. Vocal duets were given by Gregg and Jennifer Joelin and by Jackie and Kim Barrett. A vocal solo was rendered by Isobel Hoard and a contest conducted by Terry Bailey and Glenn Merrick. At the close Mrs. Raymond McConnell voiced thanks for the co-operation in preparing the program and arrangements. All of the messengers received gifts which were distributed by the leaders. Mrs. McConnell, Mrs. Stanley Williams and Miss Brenda Williams. The mothers supplied the Christmas refreshments and the children received chocolate milk.

The four programs would be taught by an instructor from the college with one lesson a week. The lessons would last through a 30 hour program. The fee would be approximately 50 cents an hour.

The association decided to wait for material to come from the college before going ahead with the programs.

Reports were heard from the 11 community school programs which have been operating since September and the others from the first of October. All programs seemed to be going very well with the report that was given by each of the leaders. The only problem came with the Adult Sports night which is held Wednesday evening in the Senior Public School. Because the attendance has been so low, Steven Patrick, group leader, cancelled the program until more interest is shown.

One new club will be starting tonight in the Senior School's woodworking shop. The Stirling Snowdrifters, a snowmobile group, will be meeting every month in the school.

The organization of a photography club was discussed at the meeting. The group, which is hoping to form by the end of December, has to make a decision as to whether they want help from the Loyalist College program or if they want to work on their own.

Also brought up for discussion was the installation of an ice surface and lights at the Senior Public School. It was decided that Mr. Patton, principal of the school, would arrange to have an area of the school grounds flooded and lights installed.

The next meeting of the association will be held on Thursday, January 6.

On Saturday night, the Ken Sine Fuels Girls team defeated Picton 4 to 0. Susan Wright led the scoring with two goals while Faith Little and Jane Bailey picked up singles.

On Sunday afternoon, two undefeated teams met, Stirling girls were able to edge by Peterborough 2 to 1. Susan Wright and Sharon Haggarty picked up the Stirling markers. The girls' next game will be this Saturday night at the arena against Marmora.

NOVICES LOSE 2-1
Bruce Myers picked up the only goal for the Stirling Novice team as they were edged 2 to 1 by Wellington in a game played on Friday night. Brighton visits Stirling this Friday night for a 6:30 p.m. match.

Stirling Pee - Wees defeated Campbellford 9 to 5 on Wednesday night of last week. Craig Morton led the scoring with three goals while Wayne Andrews followed with two. Singles went to Rodney McKewen, Brett Haggarty, Barry Danford and Bill Faulkner.

On Thursday night at Belleville Pee-Wee team defeated Stirling 5 to 2. Craig Morton and Mark Dobson picked up two Stirling goals.

PEE-WEES DOWN MADOC
The Stirling Pee-Wees made up for their loss on Thursday night by downing Madoc 10 to 1 on Friday night on home ice. Mark Dobson led the scoring with three goals and one assist while singles went to Roger Reid, Bill Faulkner, Brian Mitchell, Craig Morton, Todd Saries, Barry Danford and Rodney McKewen. Brian Mitchell picked up three assists

is shown.

One new club will be starting tonight in the Senior School's woodworking shop. The Stirling Snowdrifters, a snowmobile group, will be meeting every month in the school.

The organization of a photography club was discussed at the meeting. The group, which is hoping to form by the end of December, has to make a decision as to whether they want help from the Loyalist College program or if they want to work on their own.

while Craig Morton, Morton Fox and Bob Patterson scored two each. Single assists went to Barry Danford, David Montgomery, and Wayne Andrews. Madoc scored their only goal in the last five minutes of the third period. The Pee-Wees will play this Friday night at 7:30 p.m. against Bancroft and will travel to Brighton for a Saturday afternoon game.

BANTAMS WIN 9-5
The Bantams defeated Madoc on Friday night 9 to 5 with Stan Myers leading the scoring with three goals and two assists. Kevin Pickles picked up two goals and three assists while singles

Ontario a winter wonderland

With an array of 115 ski resorts, several new and practical all with major improvements, Ontario opens its 1971-72 winter season with a substantial increase in inviting and exciting recreation facilities... over \$3.5 million worth.

Long renowned as a summer playground, Ontario today is likewise a leader as a winter wonderland.

And, far from being an interlude to be grimly endured, winter in Ontario is a lively time of year, filled with a variety of activities ranging from fishing and snowmobiling to ice skating and carnival capers.

The expanding scope of snow-time fun in this Canadian province indicates its growth as a year-round, all-season vacation re-

gion. Here are some of the steps taken to enhance Ontario's appeal as the winter enthusiasts' paradise.

Not content to rest on their laurels, resort operators have a record \$3,600,000 this year - virtually double the amount of most previous years - on new ski areas, additional ski lifts, snowmaking equipment, chalet facilities and hill grooming.

The annual survey of ski facilities in the province shows that skiers will have a choice of 35 chairlifts, six more than last year, as well as 104 T-bars, 26 Pomalifts, three J-bars, 162 rope tows and 44 areas with snowmaking equipment.

There are 459 open slopes, 314 downhill runs and 66 areas with cross-country trails. Ver-

Heat drops vary from 100 to 800 feet with maximum runs up to 8,000 feet.

At 110 snowmobile parks, over a thousand trails beckon the snowmobiler, whether you bring your own machine or rent one here.

For the fourth consecutive year, the Ontario winter reporting services will be operated on a direct-dialing basis to provide up-to-date snow conditions and related data for all news media and the public.

Conducted by the Department of Tourism and Information from its Barrie travel centre, in co-operation with the Ontario Ski Resorts Association, the service not only covers skiing, but also includes reports on highway conditions, ice fishing, snowmobiling, carnivals and other coming events and general winter vacation information for all areas.

All Ontario ski developments have lifts and tows, plus club chalets with eating facilities, while many provide such conveniences as ski rentals, professional instruction and a variety of diversions including night skiing, tobogganing, snowmobiling, sleigh rides, skating and ice fishing. Some have hillside accommodation with a full range of apres-ski entertainment and others have accommodation nearby.

Daily lift and tow fees remain the same at most areas, ranging approximately from \$1 to \$5 through the week and from \$3 to \$7 weekends. There is virtually no waiting for lifts on weekdays, with possibly a maximum wait of about 15 minutes maximum, usually much less - at the more popular resorts on weekends.

Numerous ski locations in Ontario are readily accessible by a pleasant, one-day drive over excellent highways from many U.S. points, including parts of New York, Ohio, Pennsylvania and

Michigan. Too, for a combination skiing and big-city holiday, it's easy for ski buffs in New England and Illinois to enjoy the snowy slopes near bustling Toronto, the Ontario capital.

Between 50 and 100 miles north and west of Toronto, which takes in the Barrie-Collingwood-Owen Sound districts, are located over 20 ski areas with vertical drops of 250 to 850 feet, with a total of 166 runs from 2,500 to 8,000 feet in length.

In the Muskoka area, between 100 and 130 miles north of Toronto, are seven ski areas with hotels, motels and cabins - some hillside, most nearby - with a total of over 1,600 rooms. There are 32 runs up to 3,500 feet in length with verticals up to 350 feet.

And in Toronto, only a few miles away from where the winter funlands begin, you'll find live theatre, spacious shopping plazas, entertainment, superb dining and a thriving business community.

Ski Thunder Country is again the theme of ski resorts at the lofter slopes at the mountainous Canadian Lakehead in the province's northwest. Of special interest to visitors from Minnesota and Manitoba, these slopes afford superior skiing for everyone from expert to novice.

It all depends on what you want to do in order to experience a memorable Ontario winter vacation. There are camps for winter camping and cooking out. Swimming in heated outdoor pools, curling, horseback riding in the snow, and much more.

To help decide your preference, whether it's just watching or joining in, write for Ontario Winter Facilities free booklet, a pleasant, one-day drive over excellent highways from many U.S. points, including parts of New York, Ohio, Pennsylvania and

A FORUM ABOUT MATURE WOMEN

Dressing Your Age

Dear Margaret Brookfield:

I have a horror of looking as though I'm trying to dress "too young." I'm 53 and don't want to look like an old woman because I don't feel like one. I like smart clothes and frankly have a hard time finding them. Maybe I'm missing something, but I never see magazine articles or fashions for women over 40. After all, as a rule, we have more money to spend on these than younger women. Isn't there some happy medium for us?

M.G.

Dear M.G.:

You're absolutely right. Most magazines rarely do acknowledge the existence of the woman over 40, let alone 50, so she pretty much has to thread her own way through the fashion maze. If the stores don't carry the styles you like, why not assemble your own outfits by mixing and matching tunics, skirts, jumpers and blouses, etc. to come up with your own winning combinations. If that doesn't work, you can always take up sewing as a practical hobby. Many good-looking patterns are easy to follow these days and fun to do. And finally, remember that real youthfulness is a state of mind, not the clothes on your back. So if you feel young, you'll look young whatever you wear.

Mother-in-Law Blues

Dear Margaret Brookfield:

My husband's mother is a 75-year-old widow, who may well live another 10 or 15 years. (By then, my husband will be a senior citizen himself). His mother is not senile, but has always been hypersensitive. She does well in every way except that she generally antagonizes her relatives and alienates them by raving mad about things. Although my husband was not fa-

vorite of hers as a child, she has now zeroed in on him as her favorite. However, there's the possibility that we may have to move some distance away because my husband plans to change his job to get better retirement benefits. This will mean fewer visits to his other because she won't leave her home and we'll be too far away to get there by car. (Flames are just too expensive.) She keeps saying my husband is her only strong family tie, as though she wants to stay in town. I don't know what she's after, but how can I steer safely through these late years, so my husband can keep his sanity?

E.H.D.

Dear E.H.D.:

First, you haven't moved yet. Second, it's quite natural for a mother to want to maintain some contact with her son in her remaining years. Third, there are many ways of communicating, write letters and use the telephone to keep in touch. So, why do you want to steer safely, if it's your husband's sanity you're concerned with. Since it's his mother, why not leave the driving to him?

Warns of snow on roofs

A warning of the dangers of snow accumulations on roofs of arenas and other buildings issued today to municipal officials throughout the province by Harold Yoneyama, Executive Director of the Safety and Technical Division of Ontario Department of Labour.

Recalling the tragedy of the Listowel arena roof collapse in 1959, he noted that several other roofs of buildings have collapsed due to heavy loads over the past few years.

In a letter to all municipal clerks in the province, he stressed the necessity for qualified professional engineers to check the roofs of arenas and buildings in their communities to assure that they are structurally designed to withstand snow loads and meet safety standards.

He noted that although buildings have withstood the onslaught of winter and heavy snow accumulations in the past years, they should be rechecked to determine if there is any deterioration of the structure.

He said safety engineers also stress the need for proper maintenance and snow clearance to meet safety standards.

Mr. Yoneyama warned that new factors affecting the drifting of snow on roofs of buildings should be taken under consideration. He said that new buildings erected near the roof of an arena could vary the weight load of snow placing greater stress on some sections of the building.

He said variations of climate in Ontario create a variation in snow load conditions. Areas of heavy snowfall were located through a wide band of southern Ontario stretching from Georgian Bay easterly through Ottawa and included a large portion of southern Ontario and the eastern section of Northern Ontario.

Maranatha Christian Reformed Church was the setting for the November 6 wedding of Roelof's daughter, Lubertha Oosting, daughter of Mrs. F. Oosting and the late Mr. F. Oosting of Stirling and of Walter Isaac Vanderlaan, son of Mr. and Mrs. M. Vanderlaan. Rev. E. Gritter was the officiating minister while Wayne McCurdy, organist and Lana L. Chappelle, soloist provided music for the occasion.

Given in marriage by her brother, Jan Roelof Oosting, the bride wore an Elizabethan style gown of satin peau featuring a wedding band collar, full shirred sleeves gathered by wide cuffs and frills at the wrists. A wide frill adorned the hem of the full-length skirt while the whole gown was enhanced by an overall trimming of chantilly lace roses. A charmingly lace-edged cathedral length veil of pure silk illusion was held in place by a Juliet cap trimmed with seed pearls and rhinestones. She carried a cascade bouquet of red sweetheart roses.

The matron of honor Mrs. Harry Vreugdenhil, the bride's sister, wore a full-length empire style gown with a bone colored bodice and brown skirt of fancy jacquard crimplene. She wore a brown corded floppy hat and carried a continental crescent of gold daisies and bronze tinted mums.

The bridesmaids Rebecca Bell and Ingrid Vanderlaan were dressed identically to the matron of honor except that their skirts were rust colored. They wore floppy hats and carried similar bouquets.

The flower girl Tanya Vander-

laan the bridegroom's niece was dressed almost identically to the matron of honor. She wore small orange velvet bows in her hair and carried a basket of yellow daisies and bronze-tinted mums with a background of fern and ivy.

The best man was Andy de Vries while guests were ushered by Dick Vreugdenhil and Tony Vanderlaan.

The reception was held at Ba-tava Community Centre. Guests were greeted by the bride's mother in a three-piece orange knit suit with black accessories and a corsage of bronze and yellow-tinted mums.

For the wedding trip to Florida the bride and bridegroom left in identical outfits consisting of purple suede vest printed and white shirt and black slacks. The bride wore a corsage of yellow daisies and orange-red mums.

Upon return the couple will live in Peterborough.

Newlyweds are honored

Minto Community hall was comfortably filled Saturday evening when relatives, friends and neighbors gathered to honor Mr. and Mrs. Art Evans (Jane Clements) on their recent marriage.

Ivan Saries filled the duties of chairman and expressed happiness and best wishes to the bride and groom.

Mrs. Harold Holden led in community singing with Mrs. Joe Forestall at the piano. Readings were given by Miss Edna Tanner, Mrs. Frank McGee and Mrs. Harold Holden. Master Stephen Forestall sang, and Miss Mary Lou Sine gave a piano solo. Grant Kytte and son, Grant, favored with several musical selections with guitar accompaniment. Mr. and Mrs. Ken Long played several Christmas selections.

Mrs. Lindsay Tanner read the address and Art and Jane were presented with a china cabinet and a set of dresser lamps on behalf of the community for which they very suitably replied expressing thanks and appreciation to all who had contributed and were responsible in any way toward the success of the shower. They invited all to visit them in their new home in Chelmsford. "For they are jolly good fellows" was sung. Lunch was served and a social hour enjoyed.

Friday Night Mixed League

On Nov. 19 the Lucky Strikes took four points from the Wreckers for a total of 41. The Wreckers took three points for a total of 36. The Ringers took five points from the Misfits for a total of 32 points. The Misfits took two points for a total of 31.

The ladies high single for "A" group was Verna Woodbeck with 293; high triple was 719 and high average of 223 also taken by Verna Woodbeck.

In "B" group Gloria Carr took all honors with a single of 232, triple of 572 and average of 158.

For the men, Ralph Park had high single of 279 and triple of 720. Maurice Faulkner holds high average of 213.

Other good games bowled that night were Harold Morrison 263, 221; Jessie Riscely 204; Verna Woodbeck 210, 218, 283; Douglas Sosa 204; Bill Reid 215, 216; Rosa Spry 228, 212; Gloria Carr 204, 232; Irene Lippert 217; Hilda Rose 200; Ralph Park 234, 213, 279; Maurice Faulkner 255; and John Rechart 211, 244.

Chemist visits Loyalist College

Jack Schweitzer, analytical chemist with Mill Haven Fibres, visited Loyalist College campus last Wednesday, November 24, to talk about fibre manufacture.

Twenty to thirty people in the Chemistry Department heard Mr. Schweitzer describe the synthesis and processing of the polyester. He discussed the various snags which have arisen in production and how they were overcome. His interesting talk was well supported by an excellent display of samples.

The audience also heard of the organization of Technical and Research sections in a company and the utilization to technical personnel. Chemistry students in the audience were interested to hear Mr. Schweitzer's prediction of an increased demand for community college graduates in their field. He was thanked on behalf of the group by Mike McMurter, 3rd year Technology student.

The Chemistry Department seminar committee plans additional lectures in the coming semester. All sessions are open to the public.

Is Relief In Sight

Confiscatory taxes and excessive government spending in
Canada seem finally to be arousing concern, at least in some
quarters.

It is gratifying to hear that even among the governing
liberals in Ottawa, there is widespread disenchantment with
the present Benson-style, fiscal policies.

One commentator quotes Prime Minister Trudeau himself
as warning his charges that the lemon can be squeezed only so
hard.

Canadians have, for some years, been driven into the ground
by taxes on income, sales, education and municipal and a myriad
of other bases. We pay taxes on taxes (e.g. provincial sales tax
on federal sales tax) and are taxed several times over on the
same item (e.g. sales tax on a car every time it is sold to a
new owner).

And now the talk is to provide guaranteed annual incomes
to able-bodied persons, without requiring them to lift a finger
to earn it. Who will pay for THAT scheme? Of course, you've
already guessed - YOU will.

So when someone in power begins to scream about over
taxation and excessive government spending, we make it a
point to publicly applaud in the hope that the doctrine will pen-
etrate the skulls of those who would consign us all to bankruptcy
in the name of social progress.

Football fiasco has fan fuming

By LYNN JONES

The recent announcement that
the CTV network had again been
awarded the contract for all CFL
games and playoffs in 1972, shows
how much concern the plegkin
people have for the viewers they
wish to entertain.

Free enterprise is a fine thing,
and the budgetary restrictions
upon the CBC are probably the
principal reason the publicly-
supported network is always out-
bid, at least in recent years, for
the contract. What goes unnoti-
ced, it seems, is that the ser-
vices of CTV, especially in many
parts of Ontario who are not
adjacent to Toronto or Ottawa
or Kitchener, are either unavail-
able or very feeble.

With CTV service being so
spotty, the Canadian Radio and

Television Commision should sti-
tulate that regional games should
be carried by CBC as well as
CTV. We fail to get excited
about a game from Vancouver,
starting at 11 p.m., featuring
two western teams, or even an
eastern and western team, when
usually the same day, or possi-
bly the following one, there is
a match in Hamilton, Toronto
or even Ottawa, which this part
of Ontario is denied. We do get
most Montreal games, but we
would guess that most fans in

this area are more oriented to
Toronto or Hamilton.

The other factor that hits the
poor fan in this area is that
games in Toronto or Hamilton are
usually blacked out. Occasionally
one happens to get on the air-
waves from Peterborough or
Kingston, but these are more
the exception than the rule.

With today's technological ca-
pacity in communications, there
should be some method of pi-
ping the two Lake Ontario games
to either Peterborough or King-

ston or both. Surely we are as
entitled to this coverage treat-
ment as is London and Kitch-
ener. We also feel that the ma-
jority of the games shown in
Ontario and the Maritimes should
be eastern conference games,
and all playoff games should be
shown on both networks, if CTV
cannot serve the major geogra-
phical portion of the network.
CBC programmers seem to
have no trouble landing NFL
games, playoffs and Super Bowl,
which are also carried by Ameri-
can stations most viewers within
this area can get anyway. There
may be those who prefer the
American game, and it certainly
is exciting to watch. Ours, how-
ever, with the single point, and
three downs, seems to be more
interesting. The main thing we
need in order to enjoy what may
call a national sport, is a na-
tional outlook on coverage for
those of us who cannot, for many
reasons, attend games in person.
Jake Gaudaur is doing a good
job as commissioner, if he could
convince the owners to make
their product a little more avail-
able, he would be doing an even
better one.

Do You Remember?

75 Years Ago

On Saturday last this section
was visited by the first snow
storm of the season, but there
was not enough for sleighing,
and it all disappeared during the
rain of Monday night. The pond
was all frozen over so that there
was skating on Monday morning,
but the ice has gone also.

The front of the Scott House,
Jas. Haslett, prop., has been
much improved in appearance
by a coat of white paint.

Mr. Jed, Green was also duck
shooting at Coneseon last week,
and claims to have had greater

success than any of the party.

T. G. Clute is shipping Poul-
try now on Tuesdays and Fri-
days. Would prefer them not
drawn and bodies picked clean,
wing and tail feathers left on.

As will be seen by the cards
in advertising columns, the
cheese factories are winding up
their business for the season.
Notwithstanding the low prices
in the early part of the season,
the good prices for cheese this
fall ought to bring a fair average
to the farmer.

25 Years Ago

Stirling and district friends of
Geo. Pollard, local cheese in-
structor, will join in congrat-
ulating him on the winning of the
J. P. Griffin Challenge Shield
at the Cheese Show held in Belle-
ville this week in connection
with the Central Ontario Cheese-

makers' Convention. The shield
goes to the dairy instructor in
Central Ontario whose group won
the greatest amount of prize
money in the regular classes at
the exhibition. Mr. Pollard also
won the trophy last year.

Principal J. L. Good of the
Stirling High School attended the
Ontario Secondary Schools Head-
masters' Association Regional
Conference held in the College
of Education, Toronto, on Sat-
urday last. He was accompanied
to the city by Mrs. Good and two
daughters - and all were guests
of friends for the weekend.

Inspector A. W. McGuire, of
Tweed, made an official inspec-
tion of Stirling Public School on
Wednesday and Thursday of last
week.

With close to five hundred
interested spectators on hand
the annual Commencement Ex-
ercises of the Stirling High School
took place in the Stirling Theatre
last night. The audience was
in an appreciative mood and the
different numbers on the program
were well received. The large
attendance bore testimony to the
ever-increasing interest of the
entire community in this outstand-
ing event of the school year. The
fine spirit of cooperation so
evident between the parents
and teachers bespeaks a fine
future for the local High School.

Hastings County Council is hold-
ing its last session of the cur-
rent year at Shire Hall, Belle-
ville, this week. Those in atten-
dance from this district are
Reeve Wm. C. West, Stirling;
W. J. Morrison, Reeve, and W.
Spencer, Deputy Reeve of Raw-
don Township; Elmer Post, Reeve
of Huntingdon Township; Sam Ni-
colson, Reeve, and Ben Blecker,
Deputy Reeve of Sidney.

Canada Works

You can be a moving force in creating jobs for Canadians.

Canada works when Canadians get
involved together. So the Federal Govern-
ment is putting 498 million dollars to work,
through a series of specific programs, to
help create jobs for Canadians.

CANADA WORKS WITH YOU

You're a major force in making the pro-
gram work. We're counting on you, either on
your own initiative or through your com-
munity groups, to come up with ideas for the
Local Initiatives Program. For example, you
may have a social service project or an idea
such as a cultural program, improvements
to substandard housing, assistance to the
handicapped, or others that create employ-
ment and make your community a better place.

The Training-on-the-Job Program will
expand opportunities for training for those
who are unemployed or have little work ex-
perience, and will work through business
and industry.

For those with some basic work expe-
rience, the Canada Manpower Training
Program has been extended to help provide
additional learning.

CANADA WORKS WITH BUSINESS AND INDUSTRY

A program of tax credits or direct pay-
ments to employers encourages them to add
trainees to their staffs through the Training-
on-the-Job Program.

CANADA WORKS WITH MUNICIPALITIES

The Local Initiatives Program will help
municipalities create additional jobs through
worthwhile community projects. Provincial
governments will work with municipalities to
use this program to support and spur
community projects.

CANADA WORKS WITH THE PROVINCES

There's a Federal-Provincial Employ-
ment Loans Program designed to create jobs

by financing additional capital works pro-
jects throughout Canada. We'll be speeding
up the program of the Central Mortgage and
Housing Corporation to get more homes,
student housing, and sewage treatment
projects under way.

Loans will also be made to exhibition
commissions, boards and associations to get
people working on multi-purpose fair and
trade buildings.

CANADA WORKS WITH FEDERAL PROJECTS

There will be more job opportunities in
expanded maintenance and improvement
activities on Federal buildings; transportation
facilities; forest and park projects; and many
others.

WHERE IT ALL WORKS TOGETHER

It starts at your Canada Manpower
Centre. For advice and assistance on any of
the programs you feel apply to you or your
community, contact your local Canada
Manpower Centre. They'll be happy to help
you.

When Canadians get involved together,

A Weekly Meditation

by Rev. James F. McGarvey, St. James The Minor Church, Stirling, Ont.

Jesus clearly showed that He had a high regard for the Commandments of the Old Law. Yet He just as clearly did not feel that they were the last word in articulating man's relationships and duties to God and other men. Not only did Jesus criticize the scribes and Pharisees for perverting the original meaning of the Old Law (chapter of freedom and protector of fundamental rights), but He went even further yet.

The Old Law apparently still lacked an essential ingredient, something without which it remained unfulfilled. That something was the example and power of Jesus Christ, for He Himself said, "I have come to fulfill the Law."

He filled the Law by both demonstrating in his serving death, and promulgating in his New Covenant, what He called "My commandment", to love one another, no longer simply "as yourself", but "as I have loved you" (John 15: 12). The same St. John in his letter calls this a "new commandment", because loving one now has a new power, a new light is already shining. (1 John 2:8).

Jesus not only went beyond Pharisaic legalism and back to the original meaning of the early written Law, but He went even beyond the written Law itself. He appealed to something deeper than any written Law - the Law of Moses commanded the Sabbath observance, but the Sabbath was made for man, and not man for the Sabbath; the Old Law wrote, "Love your neighbor, and hate your enemy, but I (Jesus)

say, love your enemies and pray for those who persecute you" (Matthew 5).

But most of all, Jesus provided a new context, a new impulse, for the Commandments, and in doing so He transformed them radically. His "as I have loved you" now force us to go beyond the mere wording of the Commandments, beyond simply using them to recognize and avoid wrong, beyond thinking to find in them the whole story of our duties to God and to men.

St. John wrote: "We can be sure we are in God only when the one who claims to be living the same kind of life as Christ lived" (1 John 2:5). John was thus reinforcing the impression that Jesus had come to break open the meaning of the Commandments, and that Jesus treated them not so much as the protection of the fundamental rights of one people, the Israelites, but more as actively promoting the good and service of all men, and to the total and unpredictable degree that Jesus himself served. In theory and intention the Commandments (and the entire Old Law) were beautiful and noble, enshrining as they did the first Covenant God made with his people, but in practice they wrongly led men to conclude that they contained the "whole" truth about man and God. If taken as the whole truth, or if allowed to over-shadow all else, then they suggest that man's relationship with God is essentially one of rewarding and punishment, making it easy to forget that God freely chooses men before they have done anything at all to deserve it, and that God remains always compassionate and forgiving.

MARSH WORLD by ANGUS SHORT Ducks Unlimited

CATTAIL — (Typha sp.)

Two species broad and narrow leaved.

Common marsh reed, grows in shallow water, in dense beds, frequently covering an entire area, and choking out other vegetation.

Grows up to six feet in height. Dead stock is a valuable food for muskrat, which also uses the plant stems and leaves as building material for their homes. Occasionally useful as goose forage. Good nesting cover and nest building material for diving ducks.

WEEKLY REPORT FROM FOXBORO DISTRICT

(BY JACK WOOD)

CHOOSE FEEDERS TO MATCH FEED SUPPLY

It is important to buy the kind of cattle that will make the best possible use of the kind of feed you have available. By this I mean that some kinds of cattle will make better use of large amounts of roughage than others, while some will make more profitable gains from heavy grain feeding than others.

One question that faces feeders whenever the feed lot is empty

Frankford-Stirling Trimettes meet

The regular meeting of the Stirling-Frankford Trimettes was held on Monday, Nov. 22 in the Library of the Junior School, Stirling.

High loser was Jo-Anne Crow with a loss of 4 lbs.

Winning team was the Skinny Menus with 10 pounds. Exercises were enjoyed.

It was decided to hold a contest with a cash prize to the member who lost the most weight between Christmas and New Year's.

It was also decided to have a Christmas gift exchange at the Christmas party.

Stirling Teen League Bowling

On Friday, Nov. 26 the Gutterers (19) won 3 out of 5 points against the Strikers (12). The Hi Lo's (30) took all 6 points from the Chargers (24).

Susan Wright bowled games of 199, 239 for girls' high single, high double 432, and high average 223.

Lyn Merrill received high single of 269; high double of 380; and Paul Jones has the high average of 190.

Other good games were Debbie Montgomery 193, 160; Sharilyn Farrell 139, 141; Paul Jones 169, 176; Fred Smith 226; Trevor Crossman 134, 150; John Bissell 137, 141; Tyler Crossman 136; Faith Little 174; and Robbie Corbett 165.

is whether to buy calves or heavy short-keep cattle. (Generally speaking, there isn't much difference between steers and heifers, just don't mix the two.)

A rule, feed prices are based more on current prices for finished cattle than they are on the market prospects for the time when those feeders will be ready for market. This fact influences the choice of cattle we buy. Recently prices for stockers have been pressured upwards because of demand for feeder cattle.

On a declining market, calves are the better buy. With light weight calves we have less money invested in cattle and more in feed. We have a longer feeding period, and can get the more efficient gains expected from young animals, giving us a better prospect of profit.

On a rising market, we can usually make the best profit feeding short-keepers. We can move them in and out faster, take the weight gain, plus whatever markup we can get on the original inventory, cash them in on the market and start over. The only thing is, you have to guess correctly whether the market is going to go up or down.

Some experts will list more than a dozen different systems of beef feeding, depending on the age and weight of feeders bought and the type of ration used. Basically, there are four of five main alternatives. You can buy calves, or else yearlings or heavier cattle. Then with either calves or yearlings you may put them right onto fairly heavy feed, or you can run them through the winter with moderate gains and finish with heavy feeding later.

There is little difference between hay or grass silage on one hand and corn silage on the other for growing out cattle, but corn silage is much the cheaper feed for finishing. Thus if you have substantial amounts of hay to put through the feeders, don't put them too heavy.

UCO plans annual meeting

The province's largest democratically controlled business, United Co-operatives of Ontario, will report 1971 savings (before tax) of \$860,000 to farm and urban members at its 24th annual meeting in Toronto's Royal York Hotel, December 6th and 7th.

Sales volume for the co-operative increased \$16 million over last year, reaching \$124 million. Assets rose \$4 million, and now total \$52.8 million. Approximately \$13.2 million of these assets is equity held by Ontario farm

and urban residents. The more than 400 delegates expected from across the province will review the co-operative's financial reports for the year on the Monday. They will also elect four of UCO's 12-man board of directors. The new board gets together on December 7 to elect its executive.

Prof. Richard Vosburgh, of the University of Guelph, will make the major address of the annual meeting. The chairman of Guelph's Department of Consumer Studies, and noted marketing

Horticultural society meets

The Stirling Horticultural Society held their Christmas meeting at St. Andrew's Presbyterian Church with 48 persons, including visitors, attending.

Mrs. Floyd Armstrong presided and opened the meeting in the usual fashion.

Mrs. Ted Reynolds read the minutes and the newsletter, Mrs. Grant Hubble gave the financial report, Mrs. C. Nix reported her work in connection with the bus trip to the Winter Fair for two days and Sherway Mall.

Arrangements were discussed to have as many members as possible attend the district horticultural meeting which will be held in Nanaimo.

The nominating committee will consist of Mrs. Ray Rose and Mrs. Ivan Caldwell and they will report at the January meeting.

Mrs. Hubble introduced Mrs. Harold Milne of Campbellford, Mrs. Milne showed and gave suggestions on home made Christmas decorations. The decorations were made from all kinds of evergreens and cones, and she showed nylon net Christmas trees and wax candles. A draw was held for the various articles and 13 ladies received a prize.

Mrs. R. McConnell thanked Mrs. Milne for the demonstration and gave her a gift. A Christmas luncheon was served.

ved by Mrs. Patterson, Mrs. Hollinger, Mrs. Waite and Mrs. Ward.

Those holding a lucky Santa Claus won a potted house plant. Ten ladies received a prize. The plants were donated by Mrs. Grant Hubble.

Mrs. Kenneth Ray moved a vote of thanks to Mrs. Milne and the lunch committee for this early Christmas treat.

River Valley WI card party

River Valley Women's Institute sponsored their last card party for 1971 at the Centre on Friday evening, November 26, with ten tables in play. There were 10 guests in attendance from various places.

The Historical Research and Current Events group provided the refreshments and were in charge of the arrangements.

The prizes, first and second, were (ladies) May Palmer, Jean Donohoe (men) Harry Jeffries and Jack Donohoe.

The card parties will resume in January, 1972, and will be held Friday evenings at the Centre.

Minto

(by Mrs. Lindsay Tanner)
Mr. and Mrs. Mel Wickens spent the weekend in Toronto with Bob Wickens and Miss Cathy Wickens.

Mr. and Mrs. Harold Morgan of Stirling and Mr. and Mrs. Harper Bateman of Spring Brook spent Sunday evening with Mr. and Mrs. Lindsay Tanner.

Miss Ruth Hagerman, Grant Hagerman and Mr. and Mrs. Glenn Hagerman and Doug Pogue spent Sunday with Mr. and Mrs. Joe Hagerman of Oshawa, and at 4 p.m. attended the Rite of Baptism service of Mark and Kyle, sons of Mr. and Mrs. Joe Hagerman, Mr. and Mrs. Glenn Hagerman, Ruth and Grant Hagerman acted as godparents for their nephews.

Mr. and Mrs. Ed Colden spent Saturday evening with Mrs. Eva Wilson of Roslin.

Mr. and Mrs. Ken Haggerty of Stirling were ten hour guests of their daughter. Mr. and Mrs. Russell Hagerman.

Bethel UCW

On Nov. 25, Bethel UCW met at the home of Mrs. G. Russett. 'Blessed are the pure in heart' was the opening poem, followed by prayer.

Nineteen members answered the roll call with a verse containing the word 'pure'.

Mrs. S. Thompson led in the worship service, with the thought, 'This is the beginning of a new day, God has given me this day to use as I will, I can waste it or use it for some good purpose. But what I do with this day is important, because I have exchanged a day of my life for

it. When tomorrow comes today will be gone forever, I hope I will not regret the price I paid for it.

The hymn, 'Saviour, like a shepherd lead us,' was followed by prayer, Mrs. M. Wickens read the scripture taken from Isaiah 11 - verses 1 - 10 and Matthew 25 verses 1 - 13. Mrs. Thompson read the meditation on the theme 'Advent'. The worship service closed with the hymn, 'Jesus Saviour pilot me.'

The offering was received and dedicated. Several visits to the sick were reported. The minutes

of the last meeting were read also the correspondence which included cards of thanks. A bale of clothing was packed to be sent to Toronto. It was decided to send a donation to Five Oaks. The Christmas meeting will be held at the home of Mrs. E. Ketchen and donations of money are requested instead of a gift exchange.

The bible study was given by Mrs. E. Ketchen on the subject 'Taking time: What is your idea of leisure?'

There are two groups of people: those who are willing to

work and those who are willing to let them. She asked, 'Are we willing workers?' Mrs. Ketchen also said, 'We have to work to enjoy leisure and we need leisure to enjoy our work.'

Mrs. Russett thanked those who had taken part and the meeting closed with benediction. A tasty lunch was served and a social time enjoyed.

CARDS OF THANKS

I would like to take this opportunity to say "Thanks" to all who phoned to find how Rhonda was, to those who sent cards, gifts and candy and those who dropped in to see her while she was unable to get around after the accident I caused her in Belleville. Again I say "Thanks a lot." Marie Ray

Thanks to friends and neighbors for their many kindnesses during Laurie's stay in Hospital. Our sincere Thanks to all who helped her at the scene of the accident. Ruth and Ernie

I would like to express my sincere appreciation to my neighbors, friends, and relatives for all their help, flowers, gifts, cards and calls while I was in Belleville General Hospital and since returning home. A special thanks to Rev. John May for his visits and prayers and to Dr. Hipwell, Dr. Loyne, the nurses in I.C.U. and E level. Thanks again. Stanley Irven

I wish to express my sincere thanks and appreciation to relatives, friends and neighbors who were so kind to me while I was in hospital and Queens self-care unit. Thank you for all the flowers and cards. Also my thanks to the nurses on 5th level and to my Doctors. Gordon W. Bailey

I would like to thank all my friends and relatives for cards, gifts, flowers, personal calls and phone calls I received during my recent stay in Belleville General Hospital and since my return home. A special thanks to Dr. Bruce Morgan, Dr. Peter Briggs and the nurses and staff of the Fifth Floor. Lorna Montgomery

CENTENNIAL REPORT

A report by Thom Reynolds from Centennial Secondary School, Palmer Road, Belleville

The Canadian Centennial Choir of Ottawa, which is the only choir that travels with its own anvil, was in Belleville on Friday for a performance before a select audience-senior elementary and secondary students from Hastings and Lennox and Addington county vocal music classes at Centennial Secondary School.

The choir uses the anvil to accompany the music of the Anvil Chorus from Verdi's Il Trovatore.

Its appearance climaxed a vocal music enrichment day that began with a workshop taught by Dr. Nicholas Goldschmidt, director of music at the University of Guelph and director of the choir. Students attending the workshop at Centennial Secondary School were selected, two from each school, from the vocal music classes.

Students at Centennial Secondary School have given the Christmas Sharing Program of Belleville a big boost this week. They have taken on the task of providing Christmas baskets for 45 families in Belleville.

Sharing their Christmas with others has become a tradition at Centennial. Two years ago the students packed and delivered 32 Christmas baskets.

A collection will be taken up in each home room to pay for the turkeys. The Students Council will pick up the tab for any classroom that doesn't raise the full sum necessary. The other contents of the baskets will come in the form of donations from students, with drives planned during the next three weeks for tinned goods and other food and toys for the baskets.

Senior students, who have access to family cars, will deliver the baskets.

Stirling WI holds meeting

Mrs. Arnold Wannamaker opened her home to the members of the Stirling Women's Institute on Wednesday afternoon for their November meeting.

Mrs. Everett Cooke conducted the usual opening ceremonies.

Mrs. Clancy called the roll and 17 responded. She also read the minutes and was followed by Mrs. Tanner who gave the financial report. Mrs. M. Aythart handed in money from the sale of quilts. Arrangements were made to hold a card party in the community hall sometime during the winter months. The standing committee convenors, Mrs. Tanner, Mrs. Montgomery and Mrs. Grills, each gave a report.

The president outlined the arrangements made by the Stirling branch for the 75th anniversary which will be held in the community hall.

The collection brought \$1.48 in pennies and \$4.80 for the general fund.

For the program, Mrs. M. Ward gave a reading entitled, "Will You try to Understand?" Mrs. Harry Jones read, "What Makes a Child Delinquent?" and Mrs. F. Bartlett read, "Why wear a Poppy?"

Mrs. Bronson gave a report of the two day area convention held in Belleville at Club Canara.

Mrs. Aythart conducted an apople contest.

The meeting was closed with the singing of the Institute Grace. Mrs. Jones, Mrs. Bartlett and the hostess served lunch during the social hour.

Cheryl McGee 149, 119; Brian Clements 141, 87; Chris Fairies 113, 85; Peter Jones 132, 88; Mary Reid 95, 76; Jeff Whiteman 96; Scott Whiteman 82; Geoffrey Wilcox 77.

Girl's high single, double and average went to JoAnne Valchar with 195, 352 and 154.

Terry McGee had visions of a perfect game when his first 5 frames were strikes, on the 6th he left a corner pin and this unnerved him, but he finished with a 261 game and with his first game of 184 had the boy's high single and high double of 445. Ricky Clements 183 is high average.

Other good games were Ricky Clements 176, 160; and JoAnne Valchar 147.

Phase 2 of housing project is approved

Stirling village council Monday night gave the green light to the second section of senior citizens housing when it approved the awarding of the contract for construction to McCann Construction Ltd. of Ottawa.

The contract was the lowest of five initially received, and will cost \$8,900 per unit, or a total of \$106,800 for the second twelve units. The first 12 will cost about \$95,000.

Second in the bidding, and only \$30 per unit higher was Maurice

Rollins Construction. Highest tender was from the present builder, Jack Law Construction of Peterborough. His price was about \$1,500 per unit higher than the accepted tender.

The original tender called by Ontario Housing Corporation was for either a separate or joined building with the present building. After closer study of the five bids submitted, it was decided by OHC that a joined building would be more feasible. The

bidders were given an additional week to prepare new submissions. The only local bidder, Wiegert De Jong, claimed he did not have sufficient notice, and did not re-bid.

Principal reason for the change in plan was that the relocation of some laundry facilities on the second floor, as well as minor changes in the garbage collection system, would make the joined buildings more efficient and better suited to the tenants. Also changed were the parking spaces, which will now be located at the front of the building.

This was done to avoid visitors the long walk from the back of the building to the common room. It was mentioned that the successful bidder should build a joined building in his initial bid, and also that balcony arrangements, brick coloring and finishing details will be perfectly matched with his new proposals.

The only objection registered by council was that the six proposed parking spaces would not conform to the proposed zoning bylaw's requirement of 1.1 spaces per living unit. It was announced by the OHC representative that such senior citizen housing requires only about 25 per cent unit parking, which the six proposed spaces is. He also said that if there were further parking problems after completion OHC would study the situation, and if necessary put in more parking.

OHC agreed to seek amendment to the zoning bylaw through the committee of adjustment to conform with the regulations.

Huntingdon Twp. clerk dies

Clayton Wright, R.R. 4 Stirling, died in the Belleville General Hospital on Monday, Dec. 6. In his 71st year, he was the clerk-treasurer of Huntingdon township where he was born, the son of Mr. and Mrs. Charles Wright.

He had lived in the Stirling area throughout his lifetime.

He is survived by his wife,

the former Florence Cook, and two daughters, Mrs. Carl (Marjorie) Bateman of Belleville and Mrs. Donald (Elinor) Bates of Burlington.

He was predeceased by sisters Mrs. Fred (Florence) Haight and Mrs. Raymond (Thelma) Chambers and his brothers, Ambrose and Clarence.

A farmer, Mr. Wright was a member of St. Paul's United Church in Stirling.

He was a past master and lifetime member of Stirling AF and AM No. 69.

The funeral service was held in the chapel of the Grant Funeral Home, Belleville, today at 2:30 p.m.

Rev. John Mac conducted the service and interment took place in West Huntingdon Cemetery.

Blind canvass

Spring Brook Women's Institute canvass for the Blind amounted to \$164.10.

The committee in charge expresses thanks to the canvassers and to all those who made contributions.

Quinte area farmers tour N.Y. dairy farms

On Nov. 30 and Dec. 1, Foxboro and Madoc Co-operatives sponsored a bus tour to the Co-operative Research Farms near Syracuse, New York and other commercial farms in the area. The tour was organized to acquaint Quinte area farmers with new ideas and programs that are available to the dairy industry.

The local county agent, Bill Quinn, met the group at the Hotel Syracuse and welcomed them to the state. They visited the Limestone Creek Farm owned by Bill Lipe near Manlius, N.Y. Mr. Lipe milks 140 cows and they are housed in a free stall barn. The cows are automatically washed in a Ross-Holmes milking parlor.

The next visit was the Agway Dairy Research Centre at Fabius, N.Y. This research farm is owned by 19 Regional Co-ops in U.S.A. and Canada. United Co-operatives of Ontario is a member of the Research Centre and share all the information from the feeding and management trials. The visitors saw a 60 cow stanchion barn with a liquid manure system. Corn silage and corn cob meal provide the basis of the ration. The ration also has 100 cow free stall barn on the farm and various feeding and management trials

are carried out in all stages of growth and production of these animals. A new calf nursery and heifer growing barn has just been completed and this provided a good deal of interest for the area farmers.

Mark Baucus, Feed and Crop Manager of Agway Inc., Syracuse, was the guest speaker at the evening banquet. Agway is the regional wholesale co-operative serving the north-eastern U.S.A. Mr. Baucus discussed the marketing of farm products and new trends in agriculture in this part of U.S.A.

On Wednesday morning the group visited the dairy-beef operation of Duane Hunsinger of Tully, N.Y. Mr. Hunsinger buys Holstein calves at 300 lbs. body weight and feeds them a ration of grain corn and a special beef supplement. They are marketed about 800-900 lbs. body weight. He is using a converted dairy barn and this is quite a practical operation. He grows about 200 acres of corn which is fed to his Holstein steers. This stop created a good deal of interest for the area farmers.

Next stop was a practical dairy operation owned by Bob Everingham. The main ration was corn silage and corn cob meal plus the proper protein supplement for the 100 cow herd. The next visit was at Manorcrest Farms owned

by the Hudson Bros. They have about 75 cows and 35,000 laying hens. They grow about 300 acres of corn to feed the cows and the layers. Mr. Hudson discussed his feeding and cropping programs with the group.

The next visit was on the Delaney Bros. farm near Auburn, N.Y. Richard Delaney has a large free stall barn and he boards Holstein heifers for other area dairy farmers. At present, he has 225 growing heifers. He receives a monthly fee for feeding and caring for the heifers. The Delaneys grow about 200 acres of corn and this is the main ration for the growing heifers. This stop attracted a good deal of interest.

The last stop was at the farm of Alton Young and Sons near Jordan, N.Y. They have just erected a new free stall dairy barn. They also have a 70 ft. by 200 ft. silo for corn silage which is the basis of their feeding program.

The visiting farmers saw several types of farms on the tour. All the farmers were using corn silage as the main roughage with grain corn making up a good deal of the grain ration.

The farmers in New York State made the group very welcome and passed along several new ideas for the dairy industry.

CHRISTMAS DECORATING IN THE CENTRE OF STIRLING

A ladder from the Stirling Fire Department was pressed into service to help the Stirling

Chamber of Commerce place lights on a large Christmas tree at the corner of Front

and Mill Streets. The placing of a large tree at this location is part of the Chamber's

annual Christmas decorating plan in the village. Photo by Stirling Photography

Speaking of Sport

BY THOM REYNOLDS

Stirling Ken Sine Fuel Girls team visited Belleville Barriages on Sunday and came home the decided winners. Stirling blanked Belleville 10 to 0 with Susan Wright leading the scoring with three goals. Debbie Lessard picked up two, while singles went to Joan Bailey, Jane Bailey, Brenda Hay, Kelly Dobson and Betty Reid.

The game, scheduled for Saturday night against Marmora, was cancelled. The girls will be playing this Saturday night against Kingston at 6:30 p.m.

NOVICES LOSE 4-1
On Friday night, the Stirling Legion Novice team was defeated 4 to 1 by Brighton. Jacob Talsma assisted by Rusty Kirk picked up the only marker for Stirling. The team will be playing a rematch this Saturday afternoon at 3:00 p.m. in Brighton.

Stirling Legion Pee-Wees edged by Bancroft 5 to 4 on Friday night. Mark Dobson picked up three goals and two assists while Brian Mitchell received a goal and one assist. Craig Morton added to the win with one goal.

On Saturday afternoon, Stirling Pee-Wees squeaked by Brighton with a goal scored in the last two seconds of the game. Picking up the final goal to break the 1-1 tie was Rodney McKeown assisted by Mark Dobson. Barry Danford scored the first goal for Stirling. The Pee-Wees will be playing this Friday night against Wellington on home ice at 7:30 p.m. On Monday night they will visit Marmora for a 7:00 p.m. game.

BANTAMS DOWN BANCROFT
The Stirling Bantams came back in the third period on Monday night to defeat Bancroft 7 to

KEVIN SOLMES

4. The score was tied at 3-3 at the end of the second period. Bancroft had out-shot Stirling through-out the second period but in the third, Stirling began to hit harder and dominated the play to slow Bancroft down.

Stan Myers and Kevin Solmes led the scoring with two each while single markers went to Glen Dettlor, Robert De Jong and Doug Bastedo. Robert De Jong picked up three assists while Glen Dettlor picked up two. Single assists went to Paul Munro and Wally Blakeley.

There were 12 penalties with nine going to Stirling and three to Bancroft. Stirling picked up two penalties for fighting as did Bancroft. Stirling out-shot Bancroft

Variety night, dance Saturday

The Stirling Juvenile Hockey Team will be holding an Amateur Variety Stage Show in Stirling Theatre on Saturday night at 8 p.m. This will be followed by a modern and old-time dance upstairs at 9:30 p.m.

This event will feature some local and regional talent on stage for the first time. The Stageband and Band for the dance will be the Land O' Lakes Cruisers from Tweed, Sicco and Enterprise. Master of ceremonies will be Lyle "Kraze" Couch.

At the dance, there will be modern and old-time and country music with Uncle Jimmy Mitty, "King of the Callers," calling the old-time square dances.

The team needs funds as gate receipts are small at this period in the season. So the organizers are hoping for a big attendance. Tickets can be bought at the door or from anyone on the hockey team, from Coach Everett Doxtator, from Jack or Dorothy McCaughen, at Jack's Appliances. Phone 395-2120 for advance tickets.

There will be many draws for prizes at this show and dance, with prizes donated by several Stirling merchants.

One admission fee of \$2.00 pays for both events. Children will be admitted for 50 cents.

Fire chief gives report

Stirling fire department had a good year, according to Fire Chief Graham Mouch, who spoke briefly to council Monday night. He said there had been very little fire loss, with only one major fire, at Bernard Berry's residence.

Chief Mouch announced that in a recent inspection of fire halls in Hastings and Prince Edward, Stirling had placed sixth in the final tally. Ameliasburg was named winner in the listing.

Thanks was expressed to council for its co-operation during the year. Reeve Robert Anderson told councillors they were eliminated in the annual department Christmas party this Saturday. Chief W. L. Pollock noted that the cost of operation this year was down about \$200 from last year.

Picton chief heads firemen

Leonard Tripp, Picton Fire Chief for the past 2 1/2 years, was last week appointed president of the Hastings and Prince Edward Mutual Fire Aid Association for the 1972 season.

Chief Tripp, first vice-president for the year, was automatically moved up the ladder. A 10-year veteran of Picton's force, he served four years as a volunteer, from 1961; four years as a professional and was appointed head of the department in 1969.

In office by acclamation, Leonard Tripp, Stirling Fire Chief, will serve as first vice-president, assuming the chair in 1973. The ex-chief was instrumental in forming the mutual aid association.

Chief Tripp named Leslie Tolley, a Picton volunteer as secretary-treasurer.

The association, which meets monthly, consists of 18 Quinte area volunteers and professional fire departments and two sub-departments.

News-Argus Notebook

NEW ACCOUNTANT - Dwight Dillabough, manager of the Bank of Montreal announced this week that Ronald J. MacLean has been appointed assistant manager here succeeding Larry R. Holland. Mr. MacLean is a native of the Lindsay area, where he was raised on a farm. His banking experience includes postings in Lindsay, Orillia, Barrie and Belleville. Larry Holland has been appointed assistant manager in Midland, after being here one year. A native of Burnbrae, he served in Campbellford and Inglewood before coming to town. Both men have been with the bank about four years, and both received promotions with their new postings.

ANNUAL MEETING - The annual meeting of Stirling LOL 110, will be held in the local Orange Hall Thursday evening at 8 p.m.

MINISTER RECUPERATING - Rev. Roy Taylor, Minister at St. Andrews Presbyterian Church, Stirling and West Huntingdon, is recuperating from an operation this week in Belleville General Hospital. He has been a patient there for three weeks. Mrs. Taylor is expected home this weekend after a stay in the same hospital.

COMMITTEE MEETS - The senior citizens project of the Orange Lodges and associated groups in Eastern Ontario, to be known as Ontario East Triangle Court, was further discussed at a committee meeting last Wednesday. A public announcement about the actual site of the venture may be available next week.

PLATES ON SALE - New 1972 motor vehicle licence plates are now on sale. As usual, the provincial government follows its policy of alternating the same colors on the plates. The new color is a dark blue on a white background. Prices remain unchanged from last year. Deadline for obtaining 1972 plates is Feb. 29.

WATERLOO GRADUATE - Eric W. McInroy, B.A., B.Sc., son of Mr. and Mrs. Ward McInroy, Bonarville, has graduated from the University of Waterloo with a degree of bachelor of applied science. He received his public school education in Rawdon and attended the former Stirling-Rawdon District High School.

SANTA VISITS STIRLING

Over 400 friends of Santa Claus, young and old, flocked to meet him Saturday when he paid a short visit to Stirling in the afternoon. The spon-

sors of the visit, Stirling Chamber of Commerce, reported 425 bags of candy were handed out to the visitors. Early in the afternoon, there

was quite a lineup waiting to say hello, but after the first few minutes, children were able to see him without a wait. (News-Argus Photo)

Road Takeover Plan Gets Mixed Reception

A proposal that the provincial government take over a county road connecting Stirling, through Campbellford to Hastings met with mixed reaction at a meeting in Campbellford last week.

Mayor Morely Tanner of Campbellford called the meeting of wardens, engineers, Reeves and road commissioners of the counties of Hastings, Northumberland and Durham to present the proposal and to ask the co-operation of officials of municipalities involved in making a presentation to the Ontario Department of Transportation and Communication.

Mr. Tanner was named chairman of the meeting and Campbellford clerk J. F. Sessant was named secretary. Minutes of the meeting will be forwarded to the municipalities involved.

Among those attending were Warden Kenneth Smith, Hastings County, Harvey Malcolm, warden of the United Counties of Nor-

thumberland and Durham; Northumberland County engineer Robert Edmund; Hastings County engineer Peter Anderson and road commission foreman John Carlaw of Percy Township; James McInroy of Seymour Township; Douglas Andrews of Rawdon Township; Wilbert Blake of Campbellford and Glen Deline of the United Counties road commission.

Mayor Tanner said the idea of having the province take over the county road as a provincial highway is not new.

This is the third such meeting to discuss the possibility during his tenure on council. The first discussion was instigated by Rawdon Township in 1947.

Another meeting was held 10 years ago, and a third, five years ago in Belleville, but no action followed the meetings.

Mr. Tanner added that he believes it is time some action was taken.

He called for the co-operation of the municipal representatives concerned in making a presentation to the county councils and the provincial government.

Northumberland - Durham Counties Warden Harvey Malcolm said he believed his county council would endorse the idea and added that although he personally believed the project should be given priority, his tenure of office as warden of the counties was almost at an end.

Hastings Warden Kenneth Smith said he believes a decision on the matter is up to the County Road Commission. He merely came to listen and to report back to his council. He asked for a copy of the minutes of the meeting and promised these would be discussed by his council.

Campbellford Reeve Harold Dunk said he would insist that

On Saturday evening, November 27, R.V.W.I. catered to 212 people at the "Lower Trent Valley Fish and Game Club."

The leaders of the senior training sewing class have completed four evening sessions at the Centre with an average of 20 people. About half of the group were Institute members.

The Friendship Link secretary, Mrs. Percy MacMullen distributed the individual Christmas gifts sent from Abbots Leigh WI in England to the members of River Valley WI at the Christmas meeting held December 2.

The Midgits took their second game on Monday night by defeating Trenton 8 to 5 on home ice. Rob Arbuckle led in the scoring with two goals while singles went to Roger Wannamaker, Brian Ackers, John McDonnell, Doug Nash, Wayne Clapp and Ian Hayman. Wayne Clapp picked up two assists with single assists going to Brian Ackers, Doug Nash, Rob Arbuckle, Ian Hayman, Lance Saries and Ken Jackett. There were 13 penalties with eight going to Stirling and five to Trenton.

The Midgits will be playing this Thursday night in Wellington and will return for a home game against Bancroft on Monday night at 9:00 p.m.

JUVENILES WIN 13-1 Stirling Juveniles upset Havelock 13 to 1 on Friday night in a game played on home ice. Art Reid, Ron Andrews, and Don Campbell led the Stirling attack with three goals each while Doug Morton picked up two goals. Single markers went to Mike Hunter and Duane Pyear, Jack De Bruyn and Rick Farrell led in assists with three each while Rick Williams, Doug Morton and Ron Andrews picked up two assists each.

Dale Bamber had a good night in goal, allowing Havelock only one goal which came in the third period. There were 15 penalties in the game with Stirling picking up nine of them.

The Juveniles will be playing this Thursday night in Madoc at 9:00 p.m. They will return to Stirling the following night, Friday, to play a 9:00 p.m. game against Trenton.

In Legion Novice House League Hockey on Saturday morning, Woodbeck Auto Parts downed R. D. Cooke Cartage 4 to 0 in the first game while De Jong Construction edged by Birds IGA 1 to 0 in the second game.

This Saturday morning R.D. Cooke Cartage will be playing against De Jong Construction at 9:00 a.m. in the first Novice game while Birds IGA will take on Woodbeck Auto Parts at 9:45 a.m. in the second game.

Riverside Construction edged by Stirling Rotary 2 to 1 in the first game of the Legion Pee-Wee House League Hockey on Saturday morning. In the second game Stirling Creamery and Elaine Footwey ended up in a 3-3 tie.

Want Stirling left in Quinte area

The Quinte Planning Board has written to Stirling Council notifying them it has advised the Minister of Municipal Affairs it is opposed to Stirling's withdrawal from the board, and joining the Hastings board only.

In a letter from chairman Jack Bush, Reeve of Sidney Township, it was stated that if Stirling were allowed to withdraw, there were up to six more members that might follow suit. The Quinte Board is also applying to have Stirling exempted from the double payment of fees to it and the Hastings Board.

The letter also intimated that

the double fee was Stirling's only reason for wishing to withdraw, but Reeve Robert Anderson said this was not the case, and that the money was never really a factor.

Council also approved payment of the October fee of \$199, for Quinte membership. Council will consider future assessments in January. The Quinte Board will not have to assess for the final two months of this year as it has a surplus due to not starting operations as early as expected.

Council was advised by the Hastings County Health Unit that water in the Municipal office is in good condition for drinking.

Senior Citizens meet again

The usual attendance at Senior Citizens on Thursday enjoyed progressive euchre with Margaret Fitchett, Gladys Elliott, Ritchie Geen and Wilma Fitchett being the prize winners. During one game, Amy Schram said to dis ole Scribe, "I hope I didn't see you slipping the ace of spades up your coat sleeve!" and dis ole Scribe said "I hope so too Amy."

A nice lunch was served by Jessie Johnson, Edna Sharpe, Margaret Ward and Margaret Fitchett.

Our thanks to H.C. Martin for the 1972 almanacs. We find them very entertaining and informative. A big thanks also to Hatten Hardware for the ash trays and candy servers they so kindly donated to the club.

Four boys were in court for cutting up at the zoo. George said, "Judge, I just threw peanuts into the elephant pen." Both Pete and Dick said "That's all we did too Judge." The fourth boy said "I'm Peanuts."

Bowling round on Sunday

A total of 61 teams will participate in three Ontario finals of the third annual Colonel Sanders Bowling Championships, Sunday, December 12.

Due to the number of participants, bowling like most other sports splits its Provincial Championships. Those reaching the finals have advanced through league, house and zone competition.

Winners will advance to the National Championships to be held at O'Connor Bowl, Toronto, January 10, 11, and 12. Each of the teams will bowl seven games, one against each of the other Provinces.

Stirling will be represented by the Stirling Scotties composed of Alice Melton, Lorna Wrightman, Linda Barron, captain, Helena Oosting and Nellie Smith.

Planning Problems

As matters now stand, it is quite understandable that Stirling village council wants out of the Quinte planning area and into the Hastings area.

Stirling, along with some other area municipalities, at present is forced to contribute toward the cost of both the Quinte and Hastings planning boards. This makes the tax burden for planning purposes far in excess of what Stirling ratepayers can afford.

We wonder, however, whether council might not be better advised to seek an exemption from the double planning levy, rather than opt out of the Quinte area altogether.

Whether we like it or not, planning pressures on the municipality are sure to come from the south, as the growth areas of Belleville, Trenton and Sidney push this way.

Our feeling is that Stirling's planning problems are going to be linked much more closely to those of the rapidly expanding municipalities to the south than, for interest, Madoc's Marmora's or even Rawdon's.

It is difficult for villages like ours to attract new industry. That, however, does not mean there will be no growth.

Many people who work in the industrial centres prefer to reside in rural or semi-rural surroundings, and few people object to a 15-mile drive to work.

While it may be many years before Stirling would need to hook into an area water or sewage system, if indeed, ever, we feel any plan for the village's future development should be in line with the overall plan for the Quinte district.

Otherwise, our status as a progressive, vital community, could be in jeopardy.

We appreciate the desire of our local council to keep planning costs as low as possible. Our concern, however, is that we not overlook the long term ramifications, in the rush to effect immediate savings.

Train excursion revives memories

BY LYNN JONES

The front page picture last week, combined with the fact that this is December, makes it a month of memories for this writer. It was just 30 years ago this month that I not only had my first train ride, but the reason for this 200-mile journey was to spend Christmas together as a family, which would not have been possible without the trip.

War was a reality 30 years ago, and many Canadian families were about to celebrate their third Christmas with one or more members either far from home, or perhaps already a victim of the two-year old war. Our American friends, just 30 years ago yesterday, found out the brutal duplicity that could be perpetrated, as the waves of Zeros and bombers swept in on an unsuspecting and starkly unprotected fleet anchored at Pearl Harbour.

Although passenger train travel has now declined to almost unique adventure, especially for school pupils, it was the REAL THING in the days I'm mentioning.

Energetic bowling league

On Dec. 3, Group "A" averages of 160 and over: Verna Woodbeck holds the high average of 220, Lenora West bowled the high triple of 691 and Verna the high single of 267.

Group "B" averages of 159 and under: Ericka Schliefer bowled the high triple of 575 and Mabel Brooks bowled the high single of 221.

Games bowled of 200 and over were: Hilda Rose 244; Verna Woodbeck 221, 267; Ericka Schliefer 214; Mabel Brooks 221; Lenora West 213, 240, 238; Pat Harris 239; Shirley Whiteman 200.

Team Standings are:
Whirlwinds 63 points
Go Getters 36 points
Bowlin'inas 31 points
Smiley's 24 points

Elaine bowlers

After 10 weeks of play the Caprice team has taken the lead with 55 points. The Young Ladies are in last place with 24 points and the Rancheros, with 30 points, are slightly behind the Beauty Queens with 31.

Lenora West leads all bowlers with an average of 215, Ruth Renout, with the help of three 300 games to date, has a 196 average. Debbie Turfitt is third high amongst the women bowlers with 175.

Roy Lake, with an average of 192, has first place in the men's section and Albert Wilhelm and Bill Reid are tied with 189.

ing. Trains moved the war effort across the country, and kept the forces supplied. Tractor trailers had not yet come upon the scene in any numbers, and gasoline rationing kept car travel to essential and approved minimums. While it may sound funny to some to reflect on this aspect of our life, let's remember that trains built Canada and in a real sense kept it together in the early days. Without going into details, it is well known that political intrigues which would make even today's situations look good by comparison, were involved in building cross-country railways.

I think I was fortunate to grow up in the years when the train was first of all a vital link in

the economy and war effort, and then see the phasing out of the steam locomotives in favor of diesel power, and finally see virtually all but freight traffic vanish in the onslaught of car and plane travel growth. Travel by train is still an adventure, but two days or less to Vancouver compared with five hours in a plane does not really attract today's traveller.

Coupled with the growth of auto traffic, was the abolition of another popular and important way of life there the lake steamers. When we first moved north in 1942, to live in the community we had visited six months earlier, there were five boats plying the Muskoka Lakes and tributary rivers. Passengers came

Do You Remember?

25 Years Ago

Misses Eleanor Bush, Mary Chambers, Iris Holland and Mr. Don Runnals, students at Peterborough Normal School, are practicing teaching at the Stirling Public School this week.

Max Preston recently disposed of his farm on the fourth Concession of Rawdon, to Albert Jones.

Several members of Keystone Chapter, No. 72, R.A.M., attended a meeting of Quinte Friendship Chapter, of Belleville, on Monday night and assisted in conferring the Royal Arch Degree. Those who attended from here were Messrs. Geo. D. Watson, Thos. W. Solmes, Cecil Baker, J. L. Good and F. Armstrong, assisting in the degree, and Messrs. Burton Morton and Gordon Bailey.

Arthur Jones, Crookston, was elected Reeve of Huntingdon Township in Monday's election with a majority of over 500 votes. Post, who has occupied the position for the past three years. Members of council were elected by acclamation.

75 Years Ago

It is expected the induction of the Rev. S. S. Burns as pastor of St. Andrew's Church, Stirling and Huntingdon will take place early in January.

The freezing weather of Tuesday and Wednesday has frozen the surface of the millpond so that the young people are enjoying the best skating they have had for three years.

While skating on the pond on Tuesday afternoon A.H. Clark got on a weak spot and broke through. He was in the water about five minutes, and was rescued with difficulty. Two or three others also broke through in shallow water and got a wetting.

The annual Musical and Literary Reunion given under the auspices of Stirling Lodge No. 239, I.O.O.F., on Wednesday evening, the 25th ult., was an excellent one notwithstanding the very unfavorable weather. Owing to the rain and icy state of the roads the attendance was not as large as it would have been, there being but very few in from the country. The programme provided was an excellent one, and readings were rendered by Miss White and Miss Denney; recitation by Mr. Frapp; solos by Misses Currie and Conley, and Mr. Men and women behind bars are able to share in the blessings of Christmas through The Salvation Army, whose blue uniforms penetrate prison walls. Those who are parents are enabled to send personal gifts to their children and experienced Salvation Army officers help them prepare for the day when they will return to their families.

Congratulations are extended to Ralph W. Vandervoort, son of Mr. and Mrs. Arthur Vandervoort, of Stirling, who successfully passed all his fourth year exams in the Faculty of Dentistry, University of Toronto. He began his fifth and final year Monday, Dec. 2nd, under the wartime accelerated course.

Stirling Branch No. 228 holds its first "Open House" in newly decorated and furnished Clubrooms Tuesday, December 17th, at 8 p.m. The members and their ladies will be hosts to the Reeve and Mrs. West, the Mayor of Cambridge and Mrs. Ayharr, the Worshipful Master of Stirling Lodge, No. 69, A.F. & A.M., No. 69, and Mrs. Good and the President of Frankford Legion and Mrs. Rogers.

Veterans of the Village and District - whether members of the Legion or not - are cordially invited to attend and to bring their ladies. Comrade George Noble and his Entertainment and Refreshment Committee have their plans well laid and a most enjoyable evening is anticipated.

C. E. Parker, quartettes by Miss Currie, Mrs. Blackley, and Messrs. Martin and Brown; a history of Oddfellowship (reading) by Mr. Scott; an excellent address on Oddfellowship by Mr. A. H. Blackley; and good addresses by Revs. S. Crookshanks and Thompson and J. S. Carstairs, B.A., Principal of the High School. Refreshments were served about the middle of the programme. Mr. W. S. White, N.G., presided. Taken altogether the entertainment was a most successful one.

Last Friday evening a pleasant surprise was given to Mr. Coultis, of Ivanhoe. The old gentleman was in rather poor circumstances, and the young men of Ivanhoe, headed by Messrs. Bragg & Kehoe, gathered up about \$5 worth of provisions and clothing and presented it to him. He was taken very much by surprise, and thanked the boys for their kindness.

River Valley WI

The Christmas meeting of River Valley Women's Institute was held Thursday, December 8, 1971, at the home of Mrs. Jack Donohoe. The room was decorated with Christmas symbols and a lighted tree.

Twenty-one members, two visitors and four pre-school children were in attendance. Mrs. George Grills opened with the Institute Ode, Mary Stewart collected and a welcome to all. Mrs. Gerald Brooks read the minutes and correspondence and distributed the fall issue of the Home and Country magazine. Mrs. J. L. Donohoe gave the financial statement for the in-

stitute and Mrs. Vernon Harry for the Centre. Mrs. Ernest Carr gave a few historical items and showed some clippings of the News-Argus printing press that was scrapped and former days at the Bell telephone. Mrs. Percy MacMullen gave an item from a recent WI press report of Maple View stating that Miss Alice Heasman had given a travelogue of her trip to Spain. Mrs. MacMullen also distributed the individual gifts to each Institute member from Abbotts Leigh WI in England. There were Institute shopping bags which they had purchased from

the Somerset Federation.

Mrs. Roy Tucker brought a message from the Conference Review of C. A. Norway, 1971, where the 13th Triennial Conference was held. Pictures of the A.C.W.W. Needlework competition in three parts were shown. This was in three classes, plain needlework, craft work and lace making. Mrs. Vernon-Harry spoke briefly to the senior training course in 'Sewing with Knits' which she and Mrs. Gerald Brooks conducted four evenings in November at the Centre. At approximately 20 ladies attended. Mrs. Ernest Carr outlined her report of the Trent valley area held in October at Club Canara in Belleville and displayed Ethel Chapman's book.

A committee was appointed to arrange parcels for the shut-ins in the community. The pennies for November amounted to \$1.45. At the meeting the pennies were gathered by Gloria Harry and the collection by Colleen Carlisle. The Summary Day for the sewing class will be held January 8, the tailoring course, April 10-20 and the Food Forum, April 25.

The 75th anniversary of the Institutes of Ontario will be observed in Stirling Community Hall on February 14, 1972 under the guidance of Hastings West District. The hostess and Mrs. Sheldon McIntosh were in charge of the program. They read messages on the theme and conducted two quiz contests with prizes for the winners.

Several carols were sung and Mrs. Percy MacMullen read a Christmas poem written by the late Helen B. Anderson of Wellington in 1933.

The roll call centred around Christmas shopping and the meeting closed with the Institute grace. Some of the members brought Christmas cookies and fruit cake and these were added to the refreshments provided by the members of the Citizenship and Education group. At the close of the social hour Mrs. Philip Conley voiced appreciation thanks to all those who had taken part that afternoon.

Mixed reaction

Continued from Page 1

the road, if taken over by the province, should be extended from Cuth's Corners, about eight miles west of Campbellford, to Highway 45, a move which would save several miles of driving for those who now must travel to Hastings Village to connect with Highway 45 to Cobourg and Highway 401.

Mr. Dunk said also he believed a wise move would be for the province to establish a highway connecting Highway 115 with Highway 45, which would allow a direct route from Highway 401 to Stirling, and east. The move, he said, would benefit all of the communities along the way, particularly Hastings, Warkworth, Campbellford and Stirling. Such a move would also make it more feasible to establish a direct bus service with Toronto.

Ray Shortt, Reeve of Rawdon Township, said the first he heard of such a move came when he received an invitation from Mayor Tanner to attend the meeting.

STUDY MADE
United Counties engineer Robert Edmunds said a needs study was made in 1969 with the counties and the department of highways, and at that time the idea of having the road taken over was turned down by the province.

Peter Anderson, Hastings County engineer said a "lines of desire" survey regarding motorists travelling between Peterborough and Belleville was made some years ago, but that to his knowledge the report had not been published. He suggested contacting the department of transportation and communications urging them to make the results of the survey public. Hastings County M.L.A. Clarke Rollins said he attended a meeting regarding county roads in the Kingston area being taken over by the province, but Hastings County, which he represents was opposed to the takeover.

He said he would go along with Hastings as their provincial representative, and added that he believed a takeover of the county road would not be advantageous to either county because they would lose control of the route. The counties have, he said, the equipment to maintain the road and he believes it would be to their advantage to keep it that way. He said more than 100 miles of township roads have been taken over by the counties during the past few years. The move, he said, gave municipalities better control over their own highway systems.

Reeve Carl Heath, Hastings Village, said he would be in favour of seeing the road extended to Highway 45 and that the province should pay the matter serious consideration.

Jack Bush, Reeve of Sidney Township, said he believes municipalities within the counties should work together to improve the road system for the good of all concerned.

Although Mayor Tanner asked that consideration be formed to study the proposal and make a recommendation, those present felt discussions by the individual council involved would be required before a decision could be made on forming such a committee.

CENTENNIAL REPORT

A report by Thom Reynolds from Centennial Secondary School, Palmer Road, Belleville

Centennial Secondary School Concert Band has been travelling a 175-mile circuit, performing at five major high schools since Monday of this week. The first concert was performed on Monday morning at Sydenham High School, some 50 miles east of Belleville. After Sydenham High School, the 62 member band picked their way

into the two buses being used for transportation and drove another 50 miles to Perth. The same afternoon, the band gave a concert in the Perth Collegiate.

While on tour, the band stayed in a Carleton Place Motel. On Tuesday, performances were given in both Smiths Falls and Carleton Place. The tour finished today with another 60 mile drive to Openong High School, west of Renfrew.

Members of the band from Stirling include: John Williams, Paul Jones, Elaine Williams, Robin Linn, Kathy Sharpe, Lee Ann Stapley, Linda Walker, and Ruth Lee.

This Thursday night, the Centennial Drama Club will present two plays, A Charlie Brown Christmas and Blue Murder at 8 p.m. in the school auditorium.

Rylstone WI card party

Owing to several other things in the community on Wednesday evening the first WI card party of the season was smaller than usual with only four tables in play. Prizes went to Marian Wright, women's high; Clarence Wright, men's high; Mrs. Austin Dunk, women's low and Carl Reid, men's low. Special birthday prize was won by Aaron Anderson.

IODE Chapter holds meeting

The monthly meeting of the Hon. J.R. Cooke Chapter of the I.O.D.E. was held at the home of Mrs. Donald Rodgers on Thursday evening, Nov. 25.

The Regent, Mrs. Robert Hough opened the meeting with the I.O.D.E. Prayer. Mrs. Carl Boslak read the minutes of the last meeting which were approved. Mrs. Douglas Acker's gave the treasurer's report. Miss Gena Spry called the roll with 10 members answering. Mrs. Carl Boslak read the correspondence. The Regent, Mrs. Robert Hough thanked all for helping to make the card party such a success.

Mrs. Hough closed the meeting in the usual way and God Save the Queen was sung.

Mrs. Rodgers and her committee served lunch, to which Mrs. Carl Boslak moved a vote of thanks.

FOR LOTS OF MILK AT LOW COST...

let us mix your milking ration!

Wherever grain is grown and cows are milked, thousands of farmers depend on Purina Check-R-Mix rations to keep their cost of production low. We believe you'll find you can't beat a ration made with your own grain and Purina Cow Chow Concentrate.

Try us and see. Watch production. See how it goes up—because our rations are mixed for results—according to directions from the Purina Research Farm.

Try our service, too. Bring in your grain, and we'll quickly grind and mix it. If you're busy, we'll pick up your grain and deliver the Check-R-Mix ration. Or we'll work with you on a grain exchange program.

Call us or bring in your grain. Prove to yourself... Purina Check-R-Mix feeding can cost you less.

Mount
Pleasant

(By Mrs. Percy MacMullen)

The 4-H Club leaders and members attended Achievement Day at Meira Secondary School, Belleville, on Saturday, December 4.

Mrs. Oscar Merrick, Mrs. Percy MacMullen, Mrs. Milford Wrightman, Mrs. Allen Howes, Mrs. Irvin Potts and Mrs. Kenneth Weaver spent Saturday, December 4 at Toronto and Sherway Gardens.

The Stirling Horticultural Society arranged a chartered bus and forty people enjoyed the trip. Sixteen people chose to spend the day in Toronto and they left the bus at The Royal York Hotel. The balance of the group spent the day at Sherway Gardens, one of the newest centres in the area. Down every stone lined lane there is a quiet garden, an oasis of beauty where you may pause and rest at the centre in the tree shaded Sherway square. There is a Japanese garden with dwarfed trees and trickling water. The tropical garden and the elegant hanging garden were very lovely. The desert garden, filled with various species of cacti, was very attractive. The Christmas decorations were exceptional with a revolving evergreen tree laden with parcels, Santa Claus had a special room where he met the children and a merry go round provided endless rides. The flower place was filled with cut flowers, roses, carnations, etc., potted 'mums and poinsettias. Also a large array of artificial Christmas flowers. There were over 100 specialty shops.

The group left Stirling in Franklin's travel coach of Mrs. MacMullen, at 8:00 in the morning and returned to Stirling about 9:45 p.m. The arrangements were made by Mrs. Carman Nix who is the Horticultural Bus Secretary.

Snowmobile complaints are received

People in Stirling have no recourse about snowmobiles travelling the streets or crossing their property except to telephone the provincial police. This was the reply Monday night to a query from Frank Broekema, bylaw officer, who has had numerous complaints from residents. Rebeck Robert Andor-

Evans - Clements

On Saturday, November 13 at 2:30 p.m. Rev. W. Cox united in marriage, at Bethel United Church, Margaret Jane Clements, R.R. 1, Stirling, daughter of Mr. and Mrs. Thomas Clements and Arthur Wayne Evans, 26 Cornhill Pkwy., Toronto, son of Mr. and Mrs. Arthur Evans.

The wedding music was provided by Mrs. Ronald Johnson, Foxboro who also accompanied the soloist, Mrs. Wilbert Cox. The guests, seated in the church were decorated with white bows with ribbons and these were cut when the guests entered their seats. Maude 'mums and white gladiolus decorated the church.

The bride, given in marriage by her father and mother, wore a dress and coat ensemble of white velvet. The sleeveless dress fell from the empire waistline to form an A-line skirt. The coat was joined together at the neckline and flowed into a slight train. Attached to the coat was a hood that formed the head-dress. The hood and coat were trimmed with white maribou. She carried a bouquet of white 'mums.

The matron of honor, Mrs. Ralph Clements, R. R. 1, Stirling, wore a floor length Victorian style dress of royal purple velvet. The dress had an empire waistline with a mauve chignon yoke. The high stand-up collar, velvet sleeves and yoke were trimmed with matching mauve lace. The bridesmaids, Miss Elizabeth MacKinnon and Miss Rose Muto, Lively, Ont., were dressed similar to the matron of honor but with mauve chignon skirts falling from the empire waistline. They each carried bouquets of Fuchsia and white 'mums.

The best man was Brian Evans from Toronto and the ushers were Ralph Clements, brother of the bride and Mark Rutledge.

The reception and dinner was held at the IOOF hall in Stirling and at 8:00 p.m. the wedding party attended a dance at the Masonic Temple, Toronto.

The bride's mother greeted guests wearing a rose crepe princess style gown and the groom's mother wore a light green crepe A-line dress with full chignon sleeves. Both ladies wore corsages of white 'mums and pink rosebuds.

For a wedding trip to the Sudbury area the bride wore a beige cape and skirt ensemble, blue blouse and Nina Ricci scarf with brown accessories and a bronze 'mum corsage.

The out of town guests were from Lively, Detroit, Toronto and Renfrew.

Several showers were given for the bride and groom. These included a dinner reception and miscellaneous gifts at the home of Mr. and Mrs. Ross Langley,

Oakville; a miscellaneous shower for the bride, given by her friends at 611 Main St., Lively, Ont.; a post luck supper and miscellaneous shower at the home of Mrs. Vern Apars, Sudbury, given by the staff of Lively High School; a crystal shower at the home of Mrs. Joe Forestell, R. R. 1, Stirling, given by neighbors of this shower were Mrs. William Burgess and Mrs. Robert Conney; a miscellaneous shower, at the

home of Mrs. Ronald Shelton, Toronto; and a community shower at the Minto Community Centre given by friends and neighbors of the bride where the bride and groom received a china cabinet and bedroom lamps. The bridal party was entertained after the rehearsal, at the home of Mr. and Mrs. Ralph Clements. Mr. and Mrs. Evans have taken up residence at 10 Goldie St., Chelmsford, Ont.

Couple celebrate diamond anniversary

Sunday was a happy occasion for Mr. and Mrs. Wesley Ray of Spring Brook who were celebrating their 60th wedding anniversary. They were married at Madoc, Dec. 13, 1911, by Rev. H.V. Monkeuer.

The family took them to Sun Luck Gardens in Belleville where a beautiful dinner was served. Kenneth, the oldest son, was master of ceremonies.

Later, they returned to their home where they were seated in decorated chairs, pictures were taken, and they entertained their relatives from 3 to 5 p.m.

A lovely anniversary cake was provided by the family, made and decorated by Mrs. Bob Barrons, Spring Brook.

The sons and daughters presented their parents with a gift of money. They also received many cards of congratulations and several gifts.

Mr. and Mrs. Ray have five sons and two daughters: Kenneth Ray and Stanley Ray of Stirling, Leonard Ray, Vancouver, B.C., Carman Ray, Toronto, Jewell Ray, Nanaimo, Mrs. Harper Bateman (Edna), Spring Brook, and Mrs. Mark Williamson (Stella) Snelgrove. One son, Raymond Ray

was killed in World War 2. They have 18 grandchildren and 21 great grandchildren.

Mrs. Ray was formerly Martha Hawley of Thomasburg. She has one sister and two brothers, Mrs. John O'Neil (Mary), Brownville, N.Y., Perry and Schyler Hawley, Hornell, N.Y.

Mrs. Isiah Woodcocke (Louvina), Arden, Mrs. Earl Coulson (Jennie), Watertown, N.Y., and Mrs. Roy Miller (Pearl), Buffalo, N.Y., are deceased.

Mr. Ray has four brothers and three sisters: Austin Ray, Foxboro, Sam Ray, Madoc, Steward Ray and Murrey Ray of Belleville, Mrs. Theodore Cooney (Lyla), Stirling, Mrs. E. Tunmon (Martha), Winnipeg, and Mrs. A. Sutherland (Jennie), Alberta.

Four brothers, William Ray, Thurlow Township, Percy Ray, Rawdon, Irvine Ray, Ivanhoe, and Norman Ray, Stirling; and two sisters, Mrs. John Fleming (Tillie), Madoc, and Mrs. Tom Tanner (Margaret), Stirling, are deceased.

Rawdon friends extended congratulations to Mr. and Mrs. Ray.

It also was the occasion of the birthday of Leonard and Jewell, two of his sons.

MR. AND MRS. WESLEY RAY

Christmas pageant presented at St. John's

On Sunday, the children of St. John's Sunday School presented their Christmas Pageant, accompanied by Mrs. T.J. (Rosemary) Davidson at the organ.

As the Sunday School choir sang "Trip to Bethlehem", Mary (Kim Parsonson) and Joseph (David Kellar) entered the church and made their way to the manger. The first verse of "Bring a Torch, Jeanette, Isabella" was sung by Peggy Morgan, who beckoned Jeanette (Margie Burnard) and Isabella (Kathy Reid) to the stable to see the Baby Jesus.

After Margie and Kathy had sung, the townspeople (choir) and a band of angels (remainder of the Sunday School) entered. The Christmas story continued from here with Christine McGee and Carl Weatherell doing the narrative alternately.

"Bethlehem Baby", "Carol of the Shepherd's Children", "Carol of the Bethlehem Baby", a recitation by Roseanne McGee, "Away in a Manger" - children aged 3 to 6 years with Dale Clarke as soloist, "Baby Jesus" - children 7 and 8 years old, "God Rest Ye Merry Gentlemen", "Christmas is Remembering" - choir, "Rocking Carol" - Lynn Murray, accompanied by the choir, "Angels We Have Heard on High" -

entire Sunday School, "Christmas Song" - choir, "I Saw Three Ships" - Roger McGee and Danny Clark accompanied by the choir, "Good Christian Men Rejoice", choir, followed.

Immediately following the Pageant, the Sunday School choir was served lunch in the church hall. At one o'clock, they presented the music from the pageant at Wingfield School, the children at Wingfield taking part in some of the songs. Each member of the choir presented a card that he or she had made to a child at Wingfield. A gingerbread house made by Mrs. Michael (Sandra) Lambert was also presented to the children at Wingfield.

Upon their return to the church hall, the children were given a treat before returning home.

Members of the Sunday School Choir are as follows: Margie Burnard, Danny Clark, Holly Cooke, Selene Davidson, Robbie Edgars, Sandra Edgars, David Kellar, Lynn Kellar, Christine McGee, Eleanor McGee, Roger McGee, Peter Melton, Denise Morgan, Peggy Morgan, Lynn Murray, Kim Parsonson, Colleen Sine, Andrew Staples, Kathy Reid, Patti Tanner, Jeffrey Wilcox, Margaret Wilcox, Carl Weatherell, and Laird Weatherell.

News-Argus Notebook

ANNOUNCE SERVICES - Stirling and Rawdon United Churches have announced they will be holding Christmas Eve services at 8 p.m., with the latter to be held at Mount Pleasant Church, St. John's Anglican Church will hold a service at midnight.

VANDALISM - Several Stirling residents have reported attacks by thieves and vandals on their Christmas bulbs. Bylaw Officer Frank Broekema has apprehended two of the young culprits.

CHRISTMAS PARTY - The Stirling volunteer firemen held their annual Christmas party at the fire hall last Saturday night. Forty persons were present for the dinner, followed by a dance.

BREAKDOWN - The mail truck broke down in Stirling on Monday morning, making it necessary for its cargo to be transferred to another vehicle. A broken axle was the culprit.

MINISTER HOME - Rev. Roy Taylor, minister of St. Andrew's Presbyterian Church, Stirling and West Huntingdon, has returned home after surgery in Belleville General Hospital. Laymen have been conducting the services in his absence. It is expected he will return to the pulpit within two weeks.

ANNUAL MEETING - The annual meeting of Wellman's RBP 747 will be held Thursday evening at the Wellman's Corners Orange Hall at 8 p.m.

Minor hockey meeting held

(by THOM REYNOLDS)

The Stirling Minor Hockey Association began plans on the weekend to institute a new system of arriving at who should sit on the association and to draw up a constitution.

The association will have an annual meeting each August and every second year will elect new persons to fill the positions on the executive of the organization.

The association will consist of a president, past president, vice-president, secretary, treasurer, a member from Stirling village, Rawdon, Sidney, Thurlow, and Huntingdon Townships as selected by the council, and the coaches and manager of the Girls, Novice, Pee-Wee, Bantam, Midget, and Juvenile Hockey Teams.

The group will hold eight regular meetings extending from August to April. The elected members will have a two year term of office.

The constitution, presented by Cecil Solmes, sets down the aims and objectives of the Stirling Hockey Association.

Mr. Solmes said that there was a need for the constitution so that people coming to the arena can see the aims and objectives of the association and so that the people of Stirling can also see the workings of the association.

It had earlier been suggested that there be three representatives from Stirling, two from Rawdon and Sidney Townships and one from Thurlow and Huntingdon Townships. This was changed so that the committee would have five executive members and five municipal members.

It was noted that the representatives from the municipalities would not have to be councillors or recreation board members but persons interested in

Turkey bingo draw winners

Three local residents were cash winners in the draw last week sponsored by the Stirling Rotary Club in connection with the annual turkey bingo.

Mrs. Anne Faulkner, won \$25; Mrs. Dorothy Hawker, \$15 and Sandra Stapley, R.R. 3, Frankford, \$10.

The draws were made during the bingo held at the theatre, which was packed for the event. Four dozen 22 pound turkeys were given away as bingo prizes.

Club president, Elwood Bateman, expressed his appreciation to the residents for their support to the venture. The funds raised will be used primarily to provide Christmas enjoyment for families which otherwise would not realize the full happiness of the season.

THANKING THE GUEST SPEAKER

Donald Williams, member of the St. Paul's United Church AOTS club, presents Roy Bonisteel, host of CBC's Man Alive program, with locally produced cheese.

Mr. Bonisteel, who has been host of the program for five years, was

guest speaker at the annual AOTS Father and Son Christmas banquet held last Wednesday evening.

CBC broadcaster speaks to local AOTS

"Serve to give service to your neighbor" was the message given to members of the St. Paul's United Church AOTS club last Wednesday night by Roy Bonisteel, host of the CBC's Man Alive program. Mr. Bonisteel was introduced at the annual AOTS father and son Christmas banquet by Jack Bush, member of the club.

In speaking about church attendance, Mr. Bonisteel said that membership has gone down consistently in the last 10 years. He felt the changes in the church were too slow and not big enough. He noted the number of clerics who are leaving the church and how the churches are becoming museums.

He said the church has hit some pretty rough times and that it is the men's clubs, such as the AOTS that are suffering. "We are facing a breakdown in the community, and a communication breakdown in the church," he stressed.

Mr. Bonisteel spoke of his filming excursion to Belfast where he spoke with a Catholic and a Protestant family separately for five days and later how he brought them together. They found they had problems and concerns in common.

Mr. Bonisteel said there was a need for joint action in any community. He said that fellow ship plays a large part in an AOTS group.

But he stressed that "if fellow ship was the only reason for coming together, your club will fail." He said that a club in a church, such as the AOTS, needs to serve the community. "Serve to give service to your neighbor," he said.

In order that the club may serve the community, it needs to be aware, to care, and have the courage to stand up and express its concern.

He had little hope for a church living in the past, trying to relive the 1950's over again," he said.

Mr. Bonisteel knew many of the members of the club as he had attended Stirling High School for two years. After high school Mr. Bonisteel worked as an announcer at CJBQ radio and then went on to radio work in St. Catharines. Under three bosses, the United Church, the Anglican Church, and the Roman Catholic Church, he worked with radio and TV religious programming in Vancouver.

In 1967 Mr. Bonisteel became host of the CBC's Man Alive program. He moved to Toronto when he started with the CBC and in May of this year he moved back into his home area, near Glen Miller.

Mr. Bonisteel began his work in religious broadcasting after he had become interested in a youth group he started in his St. Catharines church. He moved to Vancouver and started his radio-TV broadcasting.

Even though Man Alive has received high ratings and has been placed in the Monday night prime time spot, "Canadians do not watch public affairs shows," he said. The church and the society need to face up to the problems they see and hear about from the media, Mr. Bonisteel said. He said that people feel hopeless in seeing bad news, but that there is no separation between bad and good news.

Donald Williams, member of the Stirling AOTS, thanked Mr. Bonisteel for coming and gave him a gift from the area, locally produced cheese.

DANCING DELIGHT FOR AUDIENCE

The Russian Folk dancing of Yvonne Bura of Stirling offered a change in pace in the program at the Stirling Juvenile Hockey Team sponsored Amateur Variety Stage Show held in the theatre on

Saturday night. All talent was given freely, with proceeds going to the local hockey team. A modern and old-time dance was held in the upstairs of the theatre after the stage show. Photo by Thom Reynolds

Vandalism.. a plague

Among the vivid manifestations of the sickness of today's society, petty thievery surely must rank near the top.

When this involves the results of citizens' efforts to make the community a better place in which to live, the crime takes on even wider dimensions.

The theft and/or destruction of Christmas light bulbs is a matter which has plagued towns and cities for many years. This year, the 'game' has spread to Stirling, as well as some other small communities in the Quinte area.

The writer of a letter published elsewhere on this page has every reason to ask, "What's the use in trying to beautify the village?" It is no small thing for a resident, particularly a senior citizen, to go to the trouble and expense of decorating his property for the holiday season. To have his efforts nullified by some nitwit thief is inexcusable.

Another local resident advised the News-Argus last week that he has strung lights on a tree outside his home every December for the past 25 years, with this year being the first that thieves have attacked his bulbs. The culprit should be ashamed.

Unfortunately, there is a segment of the younger generation who feel that the world is their oyster and that anything they want to do is all right provided they can do it without getting caught. And let us not lay all the blame at the feet of the youth; in many cases, parents who have long since exempted themselves from any moral code have set the example for ignorant or misguided children to follow.

We can only hope that sanity will eventually prevail in these matters, or that the law will become harsh enough to forcibly persuade would-be vandals and thieves to change their ways.

VARMINT

The real quality of life

By ELDON KEMP
Her death notice appeared in an out of town paper toward the end of last week. To the ordinary reader, there was nothing outstanding in the announcement, except that she was in her 94th year -- an age most of us do not expect to reach.

Rose Adams lived with her husband in the little village of Warkworth when I knew her best, in the mid-1950s. As a teenager who jumped at any chance to earn a little extra spending money, I had the daily job of carrying in coal and stove oil for Mr. and Mrs. Adams from the basement of their comfortable, frame home, during the winter months.

Rose Adams was never one to seek the limelight. In fact, I do not ever recall seeing her name mentioned in the well-read columns of the Warkworth Journal. Yet, there was something about the simple life she lived that was attractive -- that left a distinct impact on me, for one.

So far as I know, she had a perpetual cheerfulness. I cannot ever recall an unkind word spoken or even an unpleasant expression.

A woman who, for several years, waited on a husband in ill health, Mrs. Adams displayed an uncommon buoyancy of spirit not often found in my experience. I was her chore boy, but she treated me more like a member

of the family. She always wanted to know how my folks were doing, how was Grandma Kemp (who she knew as a girl) and how were things going with me.

Then she would give me the latest news about her family, particularly her grandchildren

of whom she was so proud.

I was always welcome in that home, a situation which my brother and I may have exploited, particularly on Saturday nights at a time when watching the National Hockey League game was an absolute must. What a privilege

it was for us to SEE the game, instead of just listening to the radio at home.

Of course, there was more to these evenings than that. Mrs. Adams was not a hockey fan herself, although her husband was, and I can well remember listening to her as she scurried about in the kitchen, whipping up a tasty lunch to satisfy the ravenous appetite of two growing boys.

How we laughed when she asked us one night why the players were going "hither and skither" in their race for the puck! She never did get to understand hockey, as far as I know, but she certainly appreciated that we liked to watch it. When we would leave for home after a telecast, the invitation always was repeated for us to come back next Saturday night.

Several years have passed since those "good days" of my boyhood, but some things I shall never forget. One of these is the example Rose Adams demonstrated to me -- that life has a dimension far removed from the rat race of accumulating material things. The pity is that so few of us realize the importance of the values she held so dear.

A Weekly Meditation

by D. C. TYLER

Grace Chapel

"Christ is the answer," Recently I've been reading the 62nd Psalm. One of the shorter psalms, only twelve verses. These verses are very relevant and meaningful, for all who know and love the Lord Jesus Christ today.

Men and women need something, or rather some one, in whom they may place their confidence, not only for this little span of life, of which we are told in James 4:14, "For even a vapour that appeareth for a little time, and then vanisheth away," but for eternity hereafter.

Some tell us that God is dead and the Bible is not the inspired word of the living God. In Revelation 1:18 we read, "I am he that liveth and was dead, and behold I am alive for evermore, and have the keys of hell and death."

Also in II Timothy 3:16 All

scripture is given by inspiration of God and is profitable for doctrine, for reproof, for correction, for instruction in righteousness.

In our Psalm 62, verse 1. David says, "Truly my soul waiteth upon God: from Him cometh my salvation."

You and I too, today, will be the recipients of this sure salvation if we come as David says in verse eight. Trust in Him at all times; ye people, pour out your heart before Him.

In this present day of in-dustrial problems, political and national problems, economic problems, racial problems, which are basically the results of the sin problem. We are thankful that there is one greater than our problems and that one is the Lord Jesus Christ. By a personal commitment, to Him and sincere confession of our sin, by claiming Him as our Lord and master of our lives. We find forgiveness, purpose and power to live above the problems.

If in verse 1 we have "A sure salvation," in verse 2 and 6 may we suggest we have "A sure standing." "He only is my rock and my salvation; He is my defence; I shall not be greatly moved."

Jesus said: "Therefore whosoever heareth these sayings of mine, and doeth them, I will liken him into a wise man, which built his house upon a rock." St. Matthew 7:24.

Letter to the editor

Why beautify your town?

Being the victim of some sneak thief that lowers themselves to stealing my outdoor Christmas lighting, it is not only the cost of bulbs and labour to make your home for a cheerful Christmas season but also that deprives the pleasure it gives to myself and others.

Stirling WI holds meeting

The Stirling Women's Institute meeting was held at the home of Mrs. Clifford Clancy on Wednesday afternoon. There were 20 members and six visitors present.

Mrs. Everett Cooke, president, welcomed those attending and then conducted the opening ceremonies which included the singing of the WI Ode and the repeating of the Mary Stewart Collect.

A memorial service was held for a member who died suddenly, Mrs. Arthur Stevenson. She made an outstanding contribution to the institute over the years. The president read the following verse during the service:
We travel down a winding road,
A road without an end,
And she who seems so far away
Is only around the bend.
She faces a brighter Sunshine,
Soft breezes, skies are more blue.
And some time in her happiness
She will meet with us anew,
So let not our hearts be troubled.
It's true that in the end
Happiness will follow sorrow
When we meet her around the bend.

One minute of silence was held in respect for Mrs. Stevenson. The business part of the meeting opened with the reading of the minutes by Mrs. Clancy and thank you notes. A Christmas card was received from Mrs. L. Rodgers, Trenton and Mrs. Maurice Heath of Belleville, sent a letter with a donation which was gratefully received by the institute.

Mrs. Tanner gave the bank balance and told of the receipts from a recent card party. She also gave a report on the bills that had been paid.

Mrs. Lythart turned over a substantial sum of money she had collected from the sale of quilts since the last meeting. The usual practice of remembering the older members at Christmas will be continued as it has been done in previous years.

Mrs. Debbie Seeley, leader of the Stirling girls' Homemaking project, "Bedroom Accessories," gave an outline of the various articles made during the course which included lamp shades, dresser scarves and bed spreads. She announced that the new program for the club will be "Sportsweat in Knits," enclosing she told the institute that the girls have things in readiness for the forthcoming Achievement day, which will be held at Moira Secondary School, Belleville, for all of West Hastings' clubs.

Mrs. Lindsay McKeown convened the Christmas program and all joined in singing carols with Mrs. H. David as pianist.

Mrs. Folyd Bartlett gave the Christmas message based on the golden rule, with the true meaning of Christmas for all people in all lands.

Mrs. John Ryan told the story of choosing the Christmas tree.

Mrs. McKeown conducted a contest on Christmas carols and songs with Mrs. Tanner and Mrs. Cooke as the winners.

Mrs. L. Bronson gave a humorous contest with Ruth Wanner and Debbie Seeley getting the prize.

Mrs. Clancy and Mrs. Tanner carried out Santa's duties by distributing the Christmas gifts which included gifts for the visitors.

The meeting closed with carols and the institute prayer.
A lunch of Christmas food, including Christmas cake, was served and Mrs. W. C. West voiced appreciation for the social afternoon.

Spring Brook UCW

Spring Brook United Church Women held their Christmas meeting in the church basement on Thursday, Dec. 2. The opening was a skit, "Gifts that Money Can't Buy", presented by Mrs. Bill McKeown, Mrs. Douglas Andrews, Mrs. Lorne Bailey, Mrs. Ralph Wellman, Mrs. Gerald McFaul, Mrs. Murney Bateman and Mrs. Murney Mason.

The roll call - a Christmas I remember, was well responded to by the ladies. Mrs. Lorne Bailey, president, conducted the business session, then invited Mr. Cox to install the new executive for the 1972-73 term of office. They are as follows: Mrs. Lorne Bailey, past president; Mrs. Murney Bateman, president; Mrs. Bill McKeown, 1st vice president; Mrs. Ralph Wellman, secretary; Mrs. Murney Mason, Treasurer; Mrs. Harry Hoslett, pianist.

A worship period followed, prepared by Mrs. Arthur Reid, with the theme being Christmas. Those taking part were Mrs. Clayton Burkit, Mrs. George Thompson, Mrs. Delbert Fleming and Mrs. G. McFaul. A hymn was sung by Mrs. Bill McKeown, then everyone joined in singing

Wellman's Corners W.I. hall was filled on Saturday evening for their annual Christmas concert, put on by the children of the community. Santa arrived and distributed candy to all the children. The concert was enjoyed by all.

MR. AND MRS. BORIS KOSTICIN
PHOTO BY ROY LEWIS (STIRLING PHOTOGRAPHY)

Kosticin - Wilcox

Baskets of white carnations and yellow chrysanthemums adorned St. John's Anglican Church for a Saturday, November 27 wedding when Barbara Carol Wilcox became the bride of Boris Ronald Kosticin, Scarborough.

The bride is the daughter of Mrs. H. Wilcox and the late Horace Wilcox, 36 Gore St. Stirling, and the groom is the son of Mr. and Mrs. Serge Kosticin, Scarborough.

Rev. Charles Staples officiated at the four o'clock ceremony while appropriate wedding music was played by Mrs. Gail Faulkner.

Given in marriage by her uncle, Victor Wilcox, Scarborough, the bride wore a full length gown of

white dotted Swiss with long puffed sleeves and high neckline trimmed with lace and chapel train. Her shoulder length bouquet was held in place with a lily of the valley headpiece and she carried a bouquet of red roses and fern.

The maid of honor, Marilyn O'Dell wore a floor length gown of blue and red silk jersey with short sleeves and she carried a bouquet of white chrysanthemums and yellow roses. The junior bridesmaid, Margaret Wilcox wore a short dress in blended shades of purple with accented pleats, long sleeves, high rolled collar and she carried a bouquet of white chrysanthemums and yellow roses.

The groom was attended by Timothy Kearney, Agincourt as best man while the ushers were Paul and Serge Kosticin, brothers of the groom.

The reception was held at the home of the bride's mother, where Mrs. Wilcox received the guests. She wore a purple pantsuit with silver trim, silver sandals and a corsage of yellow carnations with silver ribbon. She was assisted by the mother of the groom who wore a peacock blue wool suit with matching colored hat and a corsage of yellow chrysanthemums with gold ribbon.

For a wedding trip, the bride changed to a green flowered maxi dress in popular peasant style with a deep ruffle on the hemline. Mr. and Mrs. Kosticin took up residence on the Fifth Concession of Huntingdon Township.

Out of town guests were present from Buffalo, N.Y., Toronto, Scarborough, Agincourt, Pickering, Oshawa, Hastings and Peterborough.

H. CLIFFORD SINE

Funeral services were held at 1:30 p.m., on Tuesday, in the chapel of Hogle Funeral Home, Stirling, for H. Clifford Sine who died Sunday in Belleville General Hospital.

Officiating was Rev. John May of St. Paul's United Church with interment in Stirling Cemetery vault.

Mr. Sine, who resided at 146 Front St. West, Stirling, had been ill for a week. He was 94.

A retired farmer, he was born and educated in Harold before moving to Minto where he lived for 20 years. He then moved to Mount Pleasant for the next 20 years before coming to Stirling 15 years ago.

Son of Mr. and Mrs. Hubbard Sine, he is survived by his wife, the former Mabel Beatrice Bailey, and one daughter, Miss Doris S. Sine of Stirling. He was the grandfather of Mrs. Thomas (Marie) Dickinson of Kingston. He also had two great grandchildren.

A daughter, Mrs. Earl (Muriel) Rutan, predeceased him.

Two brothers, Mowat and Wilfred of Stirling, and a sister, Mrs. Edward (Lottie) Patrick of Frankford, also survive.

St. James CWL meets

The Christmas meeting of St. James Catholic Women's League was held on Thursday, Dec. 9 at the home of Mr. and Mrs. J.R. Donohoe.

Mass was celebrated by Father McCarvey, followed by a film on the Eucharist.

Mrs. Stan Meeks reported that preparations were being made for treats for the children of the parish.

The pastor mentioned that the donation the league had given to the parish would be allocated for special purposes.

Correspondence was read regarding the League Magazine. Also an appeal for funds from the diocesan council and a letter of thanks from the Library Board to all who contributed to the collection at the Fellowship meeting in October.

Members were asked to prepare to cater to a barn sale in January. Plans were made by the executive for gifts for shut-ins.

Mrs. John Ryan gave a Christmas reading which was followed by a contest on a seasonal theme.

At the close of the meeting gifts were exchanged and a delicious lunch was served by the hosts.

Merry Christmas

Alleluia! Alleluia! Throughout the world all are filled with gladness. It is the birthday of Our Savior... the Lord. Hearts and souls are rich in love resounding. Choirs sing hymns of peace and joy. As the glorious season wraps us in peaceful thoughts and true reflections of the first Holy Night, let us pray that this is the way it always will be. That everyone, here and the world over, will find time for understanding. Our Christmas wish is that you and your loved ones will share this season's blessings, now and in the days to come.

RETIRING LIBRARIAN HONORED

Mrs. John Lambert of Stirling, who completed her last day behind her library desk today, is presented with a

gift from the English Department of Centennial Secondary School by Leo Holland, head of the department, Mrs. Lam-

bert retired from her library duties at Centennial after holding the post for the past four years.

Mrs. John Lambert retires as librarian

(BY THOM REYNOLDS) Mrs. John L. Lambert of Stirling completed her last day as librarian at Centennial Secondary School today. She retires after spending four years as head librarian of the school.

Mrs. Lambert came to Centennial following the closing of Stirling - Rawdon District High School in 1968.

She taught at Stirling for two years while her husband was principal of the school. She then taught at Georgetown High School.

Mrs. Lambert has a B.A. and is a specialist in English and Library Science. On Thursday evening, Dec. 9, the Centennial School's library club held a party for Mrs. Lambert. At the party, Mrs. Lambert was presented with a silver tray, suitably engraved, by Dan Chase, president of the club. The tray was presented on behalf of past and present library members.

On the same occasion, Chris Fulton, secretary of the student council and Charles Bovey, staff advisor presented Mrs. Lambert with a French Gourmet Cook Book on behalf of the students of the school.

At the regular staff Christmas party on Friday evening, Dec. 10, Mrs. Lambert was given a set of crystal ware by the staff of the school. The presentation was

made by Mrs. Pat Carthy with the address given by Murray Irwin, vice-principal of the school.

Leo Holland, head of the English Department of the school, presented Mrs. Lambert with a maple leaf lapel pin on Tuesday afternoon, Dec. 14 at an afternoon tea. Members of the English Department were present for the occasion.

Mrs. Lambert recalls that "one of my pleasantest memories of my teaching career was the Christmas parties at Stirling High School put on by the students.

Councillor wants clean-up

The Lower Trent Region Conservation Authority will be asked to consider the possibility of assisting with a clean-up of the Stirling pond.

At last Wednesday's meeting of Stirling village council, Councillor Edward Klompma-

ker wanted council's reaction to the suggestion that the authority be approached. Mr. Klompma-

ker is Stirling's representative on the authority.

He suggested that the pond could be deepened, fish planted and a roadside park, with picnic tables, established.

"It would really beautify the village," he said.

Reeve Robert Anderson explained that the pond has been kept at a low level during the winter months to prevent flooding in the spring.

Councillor Fred Brandt noted that the village has been paying its share toward the authority and should not be hesitant in asking for some return.

"Why not bring it up at your next meeting?" asked Councillor Douglas Bensley.

This was agreed to by members of council.

The Ontario Water Resources Commission has issued a warning to municipalities concerning the pollution effects of de-icing substances commonly used on streets during winter.

A letter from the OWRC was read by Clerk W. L. Pollock at Wednesday night's meeting of Stirling village council.

The commission said municipal authorities should be aware that road salt can significantly affect the chloride level of adjacent waterways.

Accumulated snow scraped from roadways also is a source of pollution, the letter said.

The cooperation of the village was sought in the effort to combat this sort of pollution.

"They might better write that letter to the Department of Transportation and Communications," commented Reeve Robert Anderson. "They are the biggest offenders."

Councillor Edward Klompma-

ker noted that this problem also is one which concerns the Lower Trent Region Conservation Authority. He suggested that the village find an alternative site for dumping its snow, away from Rawdon Creek, possibly at the fairgrounds.

"It's going to find its way to the creek eventually, anyhow," replied the reeve.

Councillor Douglas Bensley suggested that eventually, the solution will be to eliminate salt as a road treatment.

Fire number unfamiliar, survey shows

Most Stirling people don't know where to get help if their home is on fire, according to a survey taken this month by the Fire Department and Boy Scouts.

Slightly over 500 homes were surveyed and the results asked if they knew what number to call in the event of a fire or other emergency that might require firemen's assistance.

Fire department officials point out that to get the fire department, you must dial "0" for the operator and ask her for the Ninth number, 6660. While results could be obtained by telephoning the Belleville Fire Department, there might be confusion if sufficient location identification were not given.

The survey was arranged by the fire department, with the actual house visits being made by the Boy Scouts.

News-Argus Notebook

APOLOGY - The News-Argus regrets any embarrassment caused when its story was published in last week's edition concerning the suspension of a Minor Hockey League player, before the player himself had been officially notified by the League.

CAROLLING ROTARIANS - Transported on the platform of a Stirling Lumber truck, local Rotarians were out carolling last night. The festive music wafted into the News-Argus make-up room just prior to press time.

ARENA CLOSED - Residents are asked to take notice that there will be no functions at the Stirling Arena either Christmas Day or New Year's Day. Consult the arena calendar on page four of the News-Argus for other activities.

EXHIBITION SERIES - The Stirling Juveniles are busy this week with a pair of exhibition games with Belleville to help fill in a full scheduled activity. Last weekend, the local team, which is in Class D, dropped a 5-2 decision to the Class A city team. Rick Farrell scored both goals. The two teams will meet in a return match here at 9 p.m. Thursday night, and manager Doug Bird feels with a full squad on hand, Stirling can give Belleville a real battle.

OUT OF SEASON - Harold Dettor found a pussywillow in bud near Oak Lake last Thursday. As proof, he brought a sprig to the News-Argus office.

Delbert Mumby heads RBP 747

Wor. Sir Kl. Delbert Mumby was elected president of Wellman's Royal Black Preceptory 747 at the annual meeting held here last week. He succeeds Gerald Russett who has held the office for the past two years.

Other officers elected were: deputy Keith Clancy; chaplain, John B. Hagerman; registrar, Harry McAdam; treasurer, Earl Wallace; lecturers, Clare Tanner and Murray Bateman; censors, Lorne Hagerman and Gordon Webb; standard bearers - Fred Bateman and Frank McGee; pursuivant - Glen Hinds and Tyler Lynn Jones.

The election was conducted by Bernard Hollinger of Foxboro, deputy grand treasurer for Canada and the installation by Lynn Jones, grand treasurer.

Visitors were present from Marmora and Castleton.

The next meeting will be held January 20, in the form of an officer training school and lecture study.

Girl Guides entertain local Senior Citizens

The Senior Citizens consider that they are the luckiest and happiest group in town. On Thursday 85 of us trooped to the St. John's Hall where we were served a pre-Christmas turkey dinner by St. John's A.C.W. These girls headed by Ruth McArthur really went all out to see that we were properly stuffed. Rev. Charles Staples who was a well come guest was asked to return thanks. We had a few other local guests, as well as Ollie Davidson, Fowler from Campbellford. A special welcome to Buttimer Belshaw who was present. Buttimer is 93 years young and enjoyed it all. After letting his pants belt out a couple of notches and releasing a few other buttons, Pres. Fred Heasman got sufficient relief to thank St. John's A.C.W. for serving such a delightful dinner. Ruth McArthur replied saying it was their pleasure.

We returned to our club room where we were entertained by the Girl Guides headed by Barbara Pitman, Lois Clarke and Sharon Hutch. These girls did themselves proud with solo, duet, trio,

carols and several comic skits. There were also several piano solos. A nice lunch of fancy doughnuts and coffee was served by the Guides and a gift of a leather book marker (made by themselves) was presented to each of us. The guides were so much at ease that they seemed to enjoy doing it. Pres. Fred Heasman said all for their kindness. This was a red lettered day for us.

Birthday greetings were sung to Guy Bradshaw and George Heasman who have birthdays about now. Lil Heasman presented George with a great big lighted cake and we all enjoyed helping George eat it.

Our next meeting will be on December 30.

At Christmas time Light plays a big part in our celebration. We have the Light of the sun by day, the Light of the moon by night and a star filled sky. Each home is ablaze with colored lights. We do well to remember that The Light Of The World is Jesus.

The Senior Citizens wish you all The Happiest of Christmas.

Klompmaaker wants vault chapel used

One member of Stirling village council has advocated that the chapel at Stirling Cemetery vault either be used for the purpose it was built, or be made a storage facility.

Councillor Edward Klompma-

ker told council Wednesday night he was disturbed that committal services were being held in the Hogle Funeral Home rather than in the vault chapel, as was intended when the facility was built by the village.

"Since we have it, it should be used," he said. "Otherwise, it should be used for storage, or something."

Councillor Maurice Montgomery said he felt it was up to the members of the family what they want done at the time of an entombment.

"It is not up to us to tell them," he commented.

"In that case, we should only have built the vault," replied Councillor Klompmaaker.

"Why not talk to Mr. Hogle?" asked Councillor Douglas Bensley.

Councillor Klompmaaker said he would do that.

Clerk W. L. Pollock said there is a need for a light in the chapel. As it is not wired, he suggested a propane lamp.

School's out

School's out today and Christmas is close at hand!

Students from Stirling and Marsh Hill Public Schools and from Centennial Secondary School left school today, looking forward to Christmas morning and to the ten days they will have to participate in some winter activities.

Christmas Concerts were held in the Junior and Senior Schools this morning. In the Junior School children from the Kindergarten and up to grade three put on a concert in the school's gym while Grade Sixes in the Senior School also put on a concert.

About Christmas

In the annual rush that accompanies the pre-Christmas season, the true meaning of Christmas often becomes obscured.

From a strictly religious observance, the season has become, for many, little more than a secular ritual of whirlwind buying and selling.

On Friday night, harried shoppers and store workers will head home to recover from the pressures and demands of the past 20 days.

"Santa" will do his thing, the presents will be opened Saturday morning and the fowl carved for dinner.

By nighttime, the children's toys will have taken a beating, with batteries run down and wind-up springs broken in many cases. And the adults will have had ample opportunity to consider whether they spent as much on the gift for Aunt Hilda as she did for them.

In January, the bills will start coming in.

Have we become cynical? Perhaps so. Is this the ideal way to celebrate the birth of the Savior? We wonder.

The gifts brought by the Wise Men to the Christ Child were symbolic of the Great Gift that God gave man on that first Christmas. We, therefore, have no objection to the practice of gift-giving, provided it is done in the right spirit.

How this fits in with organized gift exchanges, with dollar limits established, and participation on the basis of obligation, is a matter to be questioned.

Christians around the world are united each year on Dec. 25 as they mark that great event which occurred in the little town of Bethlehem nearly 2,000 years ago. Few, if any, of us would want to see the annual celebration abolished.

What many would like to see, however, is a re-emphasis on the religious aspects of the season, without which Christmas has no real meaning.

May Christmas, 1971, find a return to the worship of the Babe of Bethlehem for you and yours.

SILENT NIGHT

May the peace of that first Noel shine brightly on you. May its true meaning fill your heart and home with love, understanding, happiness.

Is a four-day work week desirable?

By LYNN JONES

At a recent labor seminar in Belleville, much discussion took place on the subject of the introduction of a four-day work week in the near future. How soon this will happen depends primarily upon location. Already,

there are plants in both Canada and the United States using it on an experimental basis, and so far, it seems to be working well.

The shortened work week is supposed to meet two problems head-on at the same time. First, it creates more jobs and thus

cuts down unemployment. Secondly, it gives people more leisure time and thus relief from the alleged tensions which are blamed for most of the ills in today's society.

It is all well and good for the powerful unions to seek and in all likelihood gain this four-day week, as they seem to win nearly every other demand they make. I do not say this move is a bad one, but there seems to be one aspect of the newly created job situation that the unions are either accidentally or deliberately neglecting — moonlighting.

I presume that in all instances where the four-day work week becomes standard practice, the members will expect the same pay for 32 hours as they previously received for 40. What disturbs this writer is, what will these freed workers do with their three-day weekend? Will they sit quietly somewhere and fish or pursue some other recreational endeavor? Or will they do so many of the present labor force does, go and seek a second job and thus not help the unemployment case at all?

In the Quinte area, we have some segments of the economy represented. Just stop and think how many people you know who have a second job, or how many families you know where the man has an excellent job, the children are beyond needing full day care, and the mother is working as well.

Undoubtedly, there are situations where both parents need to work and perhaps there are cases where it is necessary to hire a baby-sitter to do so. There are also other cases where the man is earning a substantial salary and the wife also is employed.

Ten days from now, new legislation governing unemployment insurance payments and deduct-

ions goes into effect. What this will mean is that almost every person earning money will pay into the fund, whether or not they have a hope of ever collecting. Certain other aspects are changing slightly, compared to what we have been accustomed to paying and receiving.

These new laws may or may not help the worker who cannot get work and will undoubtedly enrich the government coffers, as does nearly everything the lawmakers pass these days.

If there is any genuine concern for the wage earner, let the regulations for job seekers be rigidly enforced. If there is work, let him take it or not receive benefits. If a man has a good job, he should be prevented from taking another as well, and thus leave the second opening for the poor soul who needs work.

The dignity of supporting his family in the style to which they have become accustomed is the right of every man. Let's have the support of union, government and public to see that this right is not abused in the future as it has been in the past.

Hastings County

Dear Friends:

As the holiday season is near at hand I would like to take this opportunity to extend seasons greetings to all the residents of Hastings.

To my mind, the future in Ontario looks bright. I am confident that some additional measures of prosperity are in store for Hastings County particularly. It is my hope that I will be of some assistance in gaining for each individual his share of happiness and prosperity.

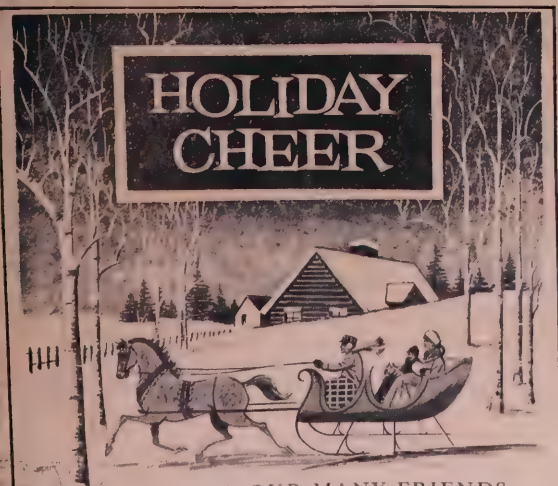

I am confident that differences of the past can be resolved by our united actions in the future.

To each resident in our county I offer a sincere and heartfelt Merry Christmas and a Happy New Year. May we all look forward to peace and happiness in the year ahead.

Yours sincerely,

Christmas message from Salvation Army

In his special Christmas message, Commissioner C.D. Wiseman, leader of the Salvation Army in Canada, suggests that probably the vision of the Army most people have at Christmas is of carolers singing and playing in the streets, and Christmas kettles into which money is thrown to help the poor.

There is deep and grateful appreciation for the way generous Canadians support the Army the year 'round, but the Commissioner hopes the Army's presence will represent more than kettles and carols.

"We want people to again listen to the original Christmas carol," the Commissioner states in his message. "More than ever before the world needs to hear and heed the angel chorus, 'Glory to God in the highest, and on

earth, peace, goodwill toward men.' Until God is recognized as 'the Highest' there can't be true peace in the world. We worship at the altars of hedonism, sex, alcohol, material possessions. For multitudes these things force God out to the margins of living. In fact, many barely give Him a thought from one year's end to another.

"The tragedy is that when God and His rules that are designed to produce the only really satisfactory and joyful life-style, are ignored, life commences to go to pieces. An architect who ignores simple facts about people, and just because he wants to, builds his ceilings so low that no one could stand upright, would be reckoned a fool. People who ignore the way they are made with their inbuilt need for something

more than the things one can feel, touch, smell and handle, are equally foolish.

"God's peace, which gives life poise and meaning, is available in Jesus Christ. He is alive in the world today, ready to love and forgive and help people. This is what Salvationists who are mem-

bers of Christ's church, stand for. It is the only story they have to tell."

Commissioner Wiseman challenges Canadian Salvationists particularly to meet people wherever they congregate, with this message of forgiveness and inner peace.

Carmel News Notes

(by Mrs. Arthur Pyear)
On Friday evening a Christmas Party was held in the Community Hall for the children. The committee in charge, Mr. and Mrs. Douglas Pyear, Mr. and Mrs. Tom Grille, Mr. and Mrs. Bob Hearn and Mrs. Jim Hagerman arranged the evening's entertainment. Readings, recitations, solos, vocal duets and piano solos were contributed by the children. Everyone participated in the Carol singing. Santa appeared and distributed bags of treats to over 40 children. Lunch was served and a social time enjoyed.

Mrs. Charles Smith is a patient.

NORMAN EARL RAY

Service and committal were conducted last Wednesday at 8 p.m. in the chapel of Hogle Funeral Home for Norman Earl Ray of 199 William St., Stirling, who died Dec. 13 in Belleville General Hospital, ill for two years, he was 64.

Rev. A.L. Sutherland officiated during the complete service and committal.

Mr. Ray was entombed in Stirling Cemetery vault.

Bearers were Gilbert Finkle, Robert Cooke, Grant Montgomery, Earl Daffoe, Hubert Howard and Kenneth Ray.

A retired barber, Mr. Ray was born in West Huntingdon Township, the son of Mr. and Mrs. Samuel Ray of Ivanhoe. He had lived in Stirling for the past 40 years after moving here from Port Hope.

He attended Ivanhoe Public School and was a member of St. Andrew's Presbyterian Church.

Husband of the former Helen Montgomery, he leaves three children, Ralph of Demorestville, Beverly Ray of Port Credit, and Miss Barbara Ray at home. He also had five grandchildren.

Five brothers, Wesley of Spring Brook, Samuel of Madoc, Stewart and Murney of Belleville and Austin of Foxboro, and a sister Mrs. Theodore (Lila) Cooney of Harold, also survive.

GREETINGS

At this Christmas season, I would like to wish you the people in Sidney Township and all the Quinte area the happiest and merriest Christmas and a prosperous New Year.

1971 has proven to be a very busy year both in our township achievements and our Quinte Area with many accomplishments in the field of planning and area services that will be of benefit to all in the future.

As a member of the Hastings County Council we have worked to achieve a sound and economical level of government.

I would like to pay tribute to my fellow councillors and the staff of this township who have proven themselves to be dedicated people serving you in a democratic way.

As chairman of the Quinte Planning Area, I extend greetings to the board members and a special thanks to all the staff for being so considerate during our trials and tribulations as we try to accomplish some of the goals set before us as an Area Planning Board. During the few months we have been together we have hurdled some of the big obstacles and I feel sure we will be able to accomplish more things for the future in '72.

Christmas is a holiday but never let us forget the sacred events which took place many years ago.

May your door be opened wide
To all the joys of Christmas tide
May the friendly words of the seasons cheer
Remain to brighten your coming year.

Dollars and Good Sense

(By William J. Martin)
Tired of the cramped suburban life? Want an inexpensive vacation place? How about a tax shelter?

If the answer to any of these questions is yes, you may soon be joining the millions who now own vacation homes.

You can find second homes that

cost anywhere from a few thousand dollars to much more and as prices increase, values of convenient vacation homes are soaring. As the land salesman

soaring. As the land salesman say, the land supply is limited and the population continues to grow.

If you're in the market, here are a few things to consider before picking your home away from home.

Choose a structure and location that all the family can enjoy. It should be fairly easy to keep up and large enough to accommodate each member of the family to keep them around.

The lot should also be pretty easy to maintain. Don't plant grass or shrubbery, leave the natural ground cover intact.

For tax purposes, your vacation home should be rentable during part or most of the year. Pick a spot that's easy for others to get to.

As a potential attraction to either renters or future purchasers your second home should be close to public land, accessible by decent year-round public roads, reasonably close to civilization and near some type of recreation, such as a lake or mountain.

Be especially careful about buying raw land with no structures on it to be sure it is suitable for building. Make sure you get a clear title to the property and check for easements, rights of way or any encumbrances on the land.

With proper planning, you can buy a vacation home which will provide the entire family with enjoyable stays, recreation and relaxation, yet provide some rental income and steadily increase in value and be easy to sell.

Stirling area cheesemaker named winner

Gary Reid of R.R. 2, Stirling, won the mature class with a score of 98 points at the British Empire Dairy show held recently in Belleville in conjunction with the annual convention of the Central Ontario Cheese Makers.

The Hastings county block class was won by Ted Foley of Foxboro Cheese Factory with a similar score.

Douglas Rowe of Warkworth won the square block class with a score of 98.25 and also had the same score for his cheese in the British Empire class.

A cheese maker from the province of Quebec has won this year's triple crown of the cheese-making industry.

Lionel Lamoureux of Granby, Quebec, earlier this year won the top prize for cheese at the Canadian National Exhibition and last month took top honors at the Royal Winter Fair.

At Belleville, the Quebec maker won the grand championship. This year's cheese show attracted a total of 145 entries and included the highest number of Quebec makers in several years.

Mount Pleasant News Items

(By Mrs. Percy MacMullen)
Miss Dorothy Moore, L.A.M.B., was a dinner guest on Monday, Dec. 13, at the home of her uncle and aunt, Mr. and Mrs. Frank Hutchinson.

Mrs. Kenneth Weaver is a patient in Belleville General Hospital. She was admitted on Thursday, Dec. 16.

Several folk from here attended the funeral of Clifford Sine on Tuesday, Dec. 14. He was a resident at Mount Pleasant for 20 years.

The December group of the UCW cancelled their visit to Hastings Manor Coffee Shop on Wednesday, Dec. 15, owing to icy road conditions.

Mrs. G. B. Bedford, Stirling, was a guest of Mr. and Mrs. Claire Knight on Friday evening.

Ross Hoard, John Holmes, Miss Annie Holmes, Mrs. Sid Williams and Mr. and Mrs. Percy MacMullen were guests on Thursday at St. John's Anglican parish hall for the Senior Citizens Christmas dinner party.

Mr. and Mrs. Frank Hutchinson recently received news that their nephew, Donald A. MacMillan, administrator of the Union Hospital at Swift Current, Saskatchewan, was honored at the annual meeting of the province of Saskatchewan Hospital Association held in Saskatoon. He was the recipient of an honorary life membership in the pro-

vincial organization and was also given the Smith Wall-Shaw Memorial citation for long and meritorious service to the hospitals of the province. He also received an oil painting by a Saskatchewan artist. The presentations were made by Judge E. M. Hughes. Mr. MacMillan's mother was the former Jennie McMullen of Anson.

Mr. and Mrs. Percy MacMullen received news of the fatal accident of their nephew, Carl Montgomery of Colborne on Thursday evening, December 16. He was travelling home from Trent University, Peterborough,

at about 5:00 p.m. The funeral was held Monday, December 20, at the Evans Funeral Home, Colborne. Mr. Montgomery was the youngest son of Mrs. J. A. Montgomery, Colborne, and the late Mr. Montgomery. He was in his first year. Besides his mother, Mr. Montgomery is survived by his wife, the former Emma Fisk of Brighton; a son, Nelson, three daughters, Sharon, Darlene and Valerie, all at home; a brother James of Carrying Place; and three sisters, Mrs. Lloyd Cable and Mrs. Robert Hadwen of Cobourg and Mrs. Verna Hadwen of Rexdale.

Christmas can be a joyous time of year

It can cause happy wonder to shine in the eyes of a little boy or girl. It can bring great joy into a child's life. It can awaken faith.

But unfortunately for some children, Christmas this year may be a disappointment. It may be looking in store windows at toys their parents can't afford to buy -- or suffering for lack of adequate clothing -- or simply experiencing a feeling of utter loneliness.

This need not be; for the Salvation Army, on your behalf reaches out to such children and makes possible for them the thrill of opening gifts, the treat of enjoying a special holiday dinner, the warm feeling of

wearing new clothes.

Yes, The Salvation Army knows many, many troubled people, both young and old. It tries to make Christmas happy and meaningful by providing friendship and material assistance for the less fortunate in communities -- all across Canada -- fathers who will spend this Christmas behind prison bars -- for mothers whose children lie ill and cold in a substandard dwelling -- for pain-ridden hospitalized veterans -- for many needy youngsters who know little of comfort and joy.

The Salvation Army has been spreading joy and happiness at Christmastime -- and through-out the year -- for more than a century, and it plans to keep on doing it.

Share YOUR blessings this Christmas.

Welcome

Have yourself a Merry, Merry Christmas. Thank you for your continued patronage and good will.

All in a Day's Work

Dotting the day-to-day work records of Ontario Hydro's eleven helicopter pilots are unusual incidents — from being shot at by hunters to helping combat forest fires. Choppers have assisted in search-and-rescue operations for downed military and civilian planes, and on occasion have rescued injured or lost hunters. Motorists stranded with burning cars have profited from fire extinguishers carried as standard safety equipment.

Hydro, with the first helicopter fleet in the Toronto area, played a major role in the aftermath of hurricane Hazel. Helping police direct traffic from the air was only one involvement. Toronto's airborne traffic watch is an offshoot.

The thirteen-helicopter fleet saves Hydro over a million dollars a year on line patrol alone. Whirlybirds work on transmission line construction, surveying, ice flow studies, transport of equipment — and new uses are constantly being found.

Flight over the province isn't indiscriminate. Hydro pilots have turkey farms marked on their maps. The birds will stampede at the sound of a helicopter and in the crush damage or death can result. Mink ranches are avoided in spring when upset mothers will kill their young. Penitentiaries and missile installations are on restricted lists but nudist camps are left to the pilots' discretion.

Eye care goes mobile

A mobile eye care van, the second of its kind in Canada, will soon make its rounds throughout Ontario.

The van is designed to conduct eye examinations and to test

for eye diseases," says Medical Director of the project, Dr. W. S. Hunter. "It will be just like an ophthalmologist's office, except on wheels," he continues. As well, there will be equipment for performing minor eye surgery on an emergency basis.

Financed by a \$75,000 grant from the Physicians Services Incorporated Foundation, the mobile unit is considered to be a modern approach to the prevention of blindness. "The van will visit communities usually on a weekly basis," says Dr. Hunter. "In each area, we would like the staff of the van, a medical eye doctor and a nurse, trained in eye care, to work with local general practitioners, public health units, and Lions Clubs to co-ordinate the eye care program."

Dr. Hunter explains that application was made to PSI, a granting agency, which was incorporated by the physicians of Ontario to utilize the reserves remaining after PSI retired from the health insurance field. Their \$75,000 grant covers the purchase of the van and its equipment, operating costs, and the provision of salaries for the van staff, for one year.

"We are pleased," says Dr. D. W. Keenleyside, PSI President, "to be able to provide The Canadian National Institute for the Blind, with funds for its service program which will benefit the citizens of Ontario."

Since May, the first mobile eye care unit has been in service in Newfoundland. During this time, 4,000 people have had eye examinations. In the first week of operation, the van travelled 100 miles inland from St. John's and 600 people were examined by Dr. E. Shenken, Medical Co-ordinator for that van. He found three cases of glaucoma, a disturbance of the optic nerve associated with increased pressure inside the eyeball, if neglected this disease can lead to blindness. This first van was financed by the Lions Club of Weston, Ontario and equipped by the CNIB.

A special committee of the Ontario Medical Association will assist in the planning of Ontario's mobile eye care program and will decide on the size of the new van and the equipment that will be needed.

Always Arguing

Dear Margaret Brookfield:

My husband and I argue constantly — and have for 20 years — yet we really like each other. Our friends think we don't get along, but we get along just fine. How can you explain something like this to other people?

N.B. Denver, Colo.

Dear N.B.:

Don't ventry. Good marriages are based on positive feelings that a man and a woman have for each other, not on the impression they make to the outside world. Many couples may put up a fine front, but are actually quite unhappy. If you feel good about your marriage, that's what really counts.

Nothing to Fear

Dear Margaret Brookfield:

My mother, who's 48 years old, is going through various menopausal symptoms and doesn't want to admit to it. She won't even see her gynecologist. How can I make her realize there's nothing to fear by understanding what's taking place? I think that not knowing or admitting the existence of the menopause can only lead to a still greater fear.

P.G. Ontario, Can.

Dear P.G.:

You sound more mature than your mother, but that isn't solving her problems. Perhaps you could get a friend in her own age group, who's weathered the situ-

Rebekahs hold meeting

A short meeting was held in the I.O.O.F. Temple, Tuesday, Dec. 15 when the Noble Grand Sister Madeline Walker of Laurel Rebekah Lodge #211 welcomed over 40 members, Sister Marjorie Slapley, Vice Grand, reported a few members ill and she had remembered them in the usual way; she also had made several hospital visits. The Noble Grand gave a Holding Committee report and advised the Lodge that Sister Verna Woodbeck, PNG, would continue with the responsibility of renting the Temple for 1972. Christmas cards are to be sent to several Stirling Businesses to thank them for the many favors received through the past year. After a short meeting, Sister Ruby Tompkins was in charge of the Christmas Program. A big surprise happened when Santa Claus entered the Hall accompanied by little Lyle Walker, son of the Noble Grand, carrying a pretty basket filled with "wee" gifts and handed one to each member. Sister Ruby lead in a Carol Singing; Sister Nellie McIntosh PNG accompanied with the music. Sister Bessie Patterson gave a Christmas reading and Sister Muriel Sharpe rendered a piano solo. An impressive ceremony "Friendship's Wheel" with Sister Verna Woodbeck PNG as the cog in the centre of the wheel, held pink and green streamers as the spokes. Sisters Lillian Johnson PNG, Betty Johnson, Eileen Woodcock PNG, Doreen Ackers, Dorothy McCaughan, and Irene Hogle PNG formed the rim each one carried a flashlight which shone on the streamer she was carrying. Animal Fats in Human Diets

We still hear comments from time to time about animal fats in human diets leading to heart disease. Perhaps it's time for us to remind readers, (on behalf of our farmer members), of the results of the Framingham Study in Boston, as reported in Hoard's Dairyman a few months ago.

This study was started by the United States Public Health Service in 1946, to determine the factors associated with the development of atherosclerotic and hypertensive cardiovascular disease. There is a bundle of no mean proportions when stated in medical terms, but simply means heart disease.

Framingham is a suburb of Boston with a population of 28,000 in 1948 and 52,000 at the time the report was made slightly over a year ago. The diets of these people and the incidence of heart disease were

The Fourth International Snowmobile Congress will be held in Quebec City, Quebec, on January 18, 19 and 20, 1972 at the Laurende Hotel. Representatives of Federal and regional governments from the United States, Canada and Europe will be in attendance as well as key industry personnel, members of the academic community and snowmobile users.

The theme of the Fourth Annual Congress is Respect, Responsibility and Recreation -- the Three R's of snowmobiling. Subject matter to be covered will include discussions on the environment, snowmobile safety, user preferences, the economics of the sport of snowmobiling and medical reports. Factual reports dealing with the relationship of the snowmobile to the environment, an inside look at snowmobile safety, an explanation of snowmobile noise and financial opportunity within the snowmobile industry will highlight the meetings.

The three-day meeting will begin on Tuesday morning, January 18, with an address by a key representative of the Government of Quebec. That afternoon, Congress participants will be provided with the opportunity to enjoy snowmobiling on a specially designed trail network in beautiful Laurende Park, one of the most progressive use areas in the Province.

FIRST OFF THE MARK

The blue-winged teal, a warm weather duck, heads for the deep south well ahead of freeze-up, usually in early September. They travel far from Canada's prairies, to Mexico, Central America, the West Indies and across the equator to Chile and northern Brazil. Principal nesting grounds are in Canada where Ducks Unlimited projects play a vital role.

BRUCE RICHARDSON

A Dec. 13 funeral service was held at the Weaver Funeral Home in Trenton for Bruce Richardson, R.R. 3, Frankford, who died Dec. 11 in Belleville General Hospital. He was in his 81st year.

Entombment was in the Stirling Mount Evergreen Cemetery Vault with Howard, Lloyd and Roy Cooney, Otis and Hadley Richardson and Jim Teerstra acting as bearers.

The funeral service was conducted by Rev. M. Caswell of St. George's Anglican Church. Born in Sidney township, the deceased was the son of Mr. and Mrs. Joshua Richardson. He was a retired CNR employee and had lived at his last address for the past 60 years.

He is survived by his wife the former Anita Tice and five sons, Haig of Carrying Place, Gerald and Douglas, R.R. 3, Frankford, Percy of Trenton and Jack of Peterborough. A daughter Gwendolyn predeceased him.

Also surviving are two sisters, Mrs. David (Helen) Lamb, Stirling and Mrs. Ramsay (Bessie) Cooney, R.R. 3, Frankford and a brother, Ross Richardson of Belleville.

Stirling men paint church

FRANKFORD - Trinity Anglican Church here will be 100 years old in 1976 and the count down has already started.

Rector Charles Staples and his congregation intend to have the premises shining like new well ahead of time as they pitch in

and help with the big job of cleaning and redecorating the church's interior. Church women with their group president, Mrs. Carman Mikel, providing leadership take turns giving a hand to the volunteers.

The last time painters gave the inside of the historic place of worship a new look was in 1947. Then the decor was refurbished so it remained the same as the original (1907) decor in appearance.

The project called for a specialist in church decorating and, naturally, Maurice Bell of Stirling was hired. It was like a reunion with an old acquaintance, because the place was one of the first of 155 churches he's been selected to redecorate in 24 years in the business. His team on this job includes brothers Don and Howard Myers, painters, also of Stirling.

River Valley UCW

The River Valley unit of St. Paul's United Church Women met at the house for its December meeting. In spite of bad driving conditions there was a good attendance of its members to enjoy the Christmas program. The opening thought was entitled A

Pilgrimage. From the reports of the convenors it was noted that many visits had been made to the sick and shut-ins, and five Christmas booklets had been given to the latter.

The unit members were pleased to learn that Mrs. Jean Bo-

gart had agreed to be the incoming leader.

Mrs. Roy Bush, in her stewardship talk, spoke on the Spirit of Christmas. We try to reveal this spirit in many ways, but the secret of Christmas joys lies in our own hearts.

The unit made arrangements for help in preparing a program, and for the serving of a lunch and the Christmas party for the residents of the Edward St. Manor to be held Tues, Dec. 21.

The worship service and program was conducted by Doris Wells and Jean Bogart. As the group recited in unison the Christmas story as recorded in the gospel according to St. Luke, a series of slides were shown to illustrate the verses.

Christmas music was used for the rest of the program. Carols were sung, interspersed with the listening to records by the Mormon Tabernacle Choir, by Mahalia Jackson, and by Eddie Dunstetter. Commentaries were read by Doris Wells on the origin and other notes of interest of the music.

Lunch and a social time followed. Thanks was expressed by Joan Bush to the hostess, Mrs. May, and to all who contributed to the meeting. Evelyn Duffin expressed thanks and appreciation to Joan for being our leader for the past two years.

Merrie bowlers

The high single and high triple of 303 and 635 were bowled by Ruth Glover. Seasonal high average is held by Linda Barron and Helena Costing of 186.

Games over 200 were bowled by Betty La Rue, 258; Willy de Jong, 209, 233; Mildred Fraser, 222; Helena Costing, 222; Nellie Smith, 225; Linda Barron, 231; Bessie Hewton, 209, 216; Barbara Noble, 205; Alice Melton, 216.

CENTENNIAL REPORT

A report by Thom Reynolds from Centennial Secondary School, Palmer Road, Belleville.

On Thursday night, Dec. 16 the Centennial Junior and Senior Bands presented a musical winter wonderland.

The concert was of seasonal and contemporary music with performances by a girl's trio and a flute trio. Included in the show was a musical presentation of Holiday on Ice and Winter Wonderland.

In addition to the junior and senior bands there was a performance by the Centennial jug band.

Castings is in full swing for the coming musical production of L'il Abner. The popular comic

Pitman receives appointment

The appointment of Walter G. Pitman as Dean of Arts and Science of Trent University was announced recently by T.H.B. Symons, president and vice-chancellor of Trent. The appointment is effective July 1, 1972.

Mr. Pitman, the former deputy leader of the Ontario New Democratic Party, and former MP and MLA for Peterborough, first joined the staff of Trent in 1965 as associate registrar and lecturer in history.

He succeeds as dean Professor T.E.W. Nind, who earlier this year became vice-president (academic) of Trent.

Mr. Pitman, a native of Toronto, received the degrees of B.A. and M.A. at the University of Toronto, where he held the Maurice Cody Scholarship in Canadian history.

In 1960 Mr. Pitman was elected MP for Peterborough and in the same year served as a member of the founding committee for the New Democratic Party. He became MLA for Peterborough in the provincial election of 1967, serving as opposition critic for the Departments of Education and University Affairs during the period 1967 to 1971, and as chairman of the party's caucus from 1968-69. In 1970-71 Mr. Pitman served as deputy leader of the NDP.

strip characters' musical will be presented during February at the school.

Report cards were handed out to students of Centennial on Monday afternoon. The cards are handled now through the Department of Education Computer Centre in Toronto.

Collections of food stuffs have been going on all this week at Centennial for the Christmas Hampers which will be taken to the families in Belleville sometime today or Thursday morning.

Mrs. John Lambert of Stirling retired today from her duties as head librarian of the school. Mrs. Lambert has been at Centennial since 1968.

Trenton gets new industry

A new industry establishing in Trenton will employ forty-six people at the beginning of operations and this figure is expected to double after five years. Baring Industries (Ontario) Limited will manufacture cigarette tubes and hand operated cigarette-making machines.

The company will receive an Ontario Development Corporation performance loan of \$302,500 and a term loan of \$137,500 to help construct and equip a \$3/4 million plant, according to an announcement by the Honorable Allan Grossman, Minister of Trade and Development.

Products manufactured by the company will replace Canadian imports valued at about \$1 million annually.

Things you should know about...

YOUR NEW COMBINED GOVERNMENT PLAN

The new "Ontario Health Insurance Plan" will provide all the coverage now available to you under both OHSIP and Ontario Hospital Insurance. And it will do so at a lower combined premium than you now pay for the two separate plans.

The new premiums will be payable in January, 1972, and thereafter, to cover benefit periods beginning on or after April 1, 1972. These new premiums will be:

- \$11.00 a month for a single person, and
- \$22.00 a month for a family (2 or more eligible persons)

REPLACES "OHSIP" AND "ONTARIO HOSPITAL INSURANCE"

The Ontario Health Insurance Plan will replace the OHSIP (medical) and Ontario Hospital Insurance plans as of next April 1, and you will then have only:

- one plan to deal with;
- one health insurance identification card;
- one health insurance number (your former Ontario Hospital Insurance number);
- one combined premium to pay.

If you now have Ontario Hospital Insurance, your changeover to the new combined plan will be automatic. No action on your part is required as the new plan will be based on the existing hospital insurance billing system.

FREE FOR SENIOR CITIZENS

(After 1-year Residence in Ontario)

As of January 1, 1972 residents aged 65 and over are exempt from paying Ontario Health Insurance premiums to cover themselves and their eligible dependents. To benefit from this exemption, insurance may be transferred to the name of the older spouse if it is presently in the name of a spouse under age 65.

Most residents aged 65 years and over have already applied for premium-free coverage, but if you have not done so, please write to the Plan giving your Ontario Hospital Insurance number, your OHSIP number, and month and year of birth.

Persons who turn 65 after January 31, 1972, should apply at the time for free coverage. If you pay your premium on a direct basis, write to the Plan for an application. If you pay through a group, advise your group. Premium-free coverage will take effect on the first day of the month in which your 65th birthday occurs. Any premiums paid to cover benefit periods beyond that date will be refunded.

NEW IDENTIFICATION CARDS

The Plan will provide each insured single person and each insured head of a family with a new Ontario Health Insurance Identification Card to use for insured services received on or after April 1. Anyone who has not received his or her card by that date should use the current Hospital Insurance Certificate, after April 1, 1972, for medical and hospital services until the new card is received.

Your present OHSIP card should be used when claiming for medical and practitioner services received up to March 31, 1972.

IMPORTANT

As the present Ontario Hospital Insurance numbers and billing system will form the basis of the new plan, anyone who does not now have hospital insurance coverage should register without delay.

Applications are available in banks and hospitals and from offices of the Ontario Health Insurance Plan.

BE SURE YOU ARE COVERED NEXT APRIL 1st!

Report cards handed out at Madoc

On December 22 the students at Centre Hastings Secondary School received their report cards. These report cards do not have to be returned to the school. In addition to subject achievement attendance in each class is being reported on the report card. Parents who have any questions are requested to

contact the school. In conjunction with student achievement, the school will be hosting two Parent Nights where parents are asked to come to the school to discuss their child's achievement with the teachers. In order to facilitate the organization each student will be given a form for parents to request

teacher interviews. These forms were sent home on December 22 and parents were requested to return these to the school by January 6th, 1972. The first Parent Night will be held on Monday, January 17, from 7:00 p.m. to 9:00 p.m. for parents of students with surnames beginning with the letters

from "A" to "K". The second Parent Night will be held on Monday, January 24 from 7:00 p.m. to 9:00 p.m. for parents of students with surnames beginning with the letters from "L" to "Z". The school is extremely interested in meeting the parents of the students.

An interesting suggestion

We like the suggestion put forward by Councillor Edward Klompaker that an effort be made to beautify the Stirling pond area.

This is a project which should interest the Lower Trent Region Conservation Authority. In addition, it could be an outlet for the energies of various local groups such as the Rotary Club and the Scout movement.

With a concerted effort, the pond could be made into a real scenic spot, attractive to anglers and picnickers in summer and to skaters in winter.

We agree with the village council that the Conservation Authority be requested to take a look at the site, with a view to developing it.

As we come to the end of 1971, may we express Season's Greetings to our family of readers, advertisers and correspondents for their support during the past year. We look forward with optimism to 1972.

T'was the season to be jolly

BY ELDON KEMP
I'd like to report that I survived Christmas.

To be more accurate, I survived Christmas Day, for at our house, the Yuletide season begins about the end of November and extends considerably into January. We make the Twelve Days of Christmas seem like a half-hour tea party.

It began with the erection of our 6-year-old pre-fab Christmas tree. Every year, my wife insists that we must replace this well-worn, silver relic. But when the decorations come out, the old tree emerges with them. It always looks much prettier than we remembered, so up it goes!

Although most people leave their Christmas shopping to a feverish few days before Christmas, the buying of gifts starts much earlier at our place. I think it would be safe to say my wife begins to take things in hand

for Christmas about mid-August. There is one notable exception to the pattern, however. Namely, me.

Call me a Seroopee if you like, but I am a perennial procrastinator when it comes to doing my shopping. At about 2:30 p.m. on Dec. 24, I suddenly remember that if Christmas is to be a merry affair, I had better start bustling. It was no different this year.

Christmas Eve was progressing favorably when what to my wondering eyes should appear,

but two dozen balloons for me to blow up. I have a tendency to pass out on the 14th balloon. I selected the two largest ones to inflate first, while I was still in condition to do so. Ten minutes of lung bursting, cheek straining puffing produced two four-foot monsters. I was best.

"Oh, I forgot to tell you, I bought a balloon pump," offered my wife, as she cast her eyes over my limp body.

I was too spent to react. It was just as well. Jail is no place to spend a holiday.

Christmas Day was something else. As some know, the Battle of the Bulge is a continuous campaign with me. Valuable ground was lost over the weekend.

A copious breakfast was followed by a turkey dinner at noon which in turn was followed by (you guessed it) a turkey dinner in the evening. My diet didn't have a chance.

A return to work Monday morning gave a respite from cracking nuts, winding toy springs, assembling train tracks, packing away torn wrapping paper and carving turkey.

As I said, I have survived so far. If I can clear the New Year's hurdle, I think I'll be ready to face 1972.

P.S. - I have two questions, for which I would be grateful for answers.

1. Why is it that used wrapping paper takes up four times as much space as the gifts themselves?

2. Why do Brazil nuts require so much pressure to crack that the edible portion is crushed in the effort?

A Weekly Meditation

By REV. CHARLES STAPLES
St. John's Anglican Church

Out of the troubled dark came Time narrowed then into an instant....

And quietly my spirit was renewed.

God has come down to earth to dwell among us, to be with us. How many voices are there, that will say, "time has widened out into eternity?" How many people have a personal belief that feel confident about the future, because God is among us? Or who will be able to say, "power is upon me so I could see light beyond light, torrents of tumbled glory?"

Time widened out into eternity Power was upon me so that I could see Light beyond light, torrents of tumbled glory.

When it's time to begin a new year, its time to think about what you are going to reach out to. The new year should be considered new, if we're prepared to make it new. Another year of the same old way of living is not what our recent celebration of Jesus' Birth is about. The joy of Christmas carries us into a rejoicing about all of life.

The positive affirmation of the glories of Christ can not be made by a hollow ring on a shaky faith. It requires the ring of truth. People must have a faith that is reliable.

As we move forward into another year in the Seventies, let us move closer in our personal life toward the goal of seeing God's very presence in all that is around us and of serving Him through loving all.

LOCAL AND PERSONAL

(Intended for last week)

Denise Meeks of Stirling, was admitted to Belleville General Hospital Sunday night for surgery on Tuesday.

Mr. and Mrs. Lynn Jones and family spent last weekend with their parents in Grevenghurst, and also visited with her brothers, Douglas and Morris Skelding, and their families.

Letter to the editor

Dear Mr. Editor:
As no one has passed on credit to a fine group of children and their young coaches; it is time.

On Sunday, Dec. 12, the Stirling All Star T-Tees played their first game at the Richard Ellis Memorial Arena, against the Wilson Concrete.

The latter, much more experience for having played 2 years beat the Stirling team 9-0.

It is only fair to say our Stirling team never quit trying to win even in the last seconds of the game.

I had one of the most enjoyable Sunday afternoons ever and I hope I can enjoy the return match Jan. 8, 1972 at 1 p.m. in the Stirling arena.

Congratulations to the team and the coaches for unlimited effort.

Yours truly,
A truly Satisfied Fan

Letter to the editor

Dear Sir:
Smallpox Vaccination Policy

In accordance with the most recent advice from the Department of Health of this Province, the Hastings and Prince Edward Counties Health Unit will at once discontinue the Routine Immunization Program against Smallpox.

We shall, however, carry on vaccinations for travellers and certain high risk workers.

CARDS OF THANKS
Such thoughtfulness I have never
known. The kindness that have been
shown
To Lorne, the children and to me,
Since a patient I was forced to be.
My appreciation to one and all,
Who sent me cards or came to
call.
To Pastor MacDonald who prayed with
me,
Good Tidings S.S., and the W.M.C.,
The Springbrook Institute and the
U.C.W.
Especially our neighbors and rel-
atives too.
To Dr. O'Boyle Kelly a special
mention,
And the nurses who gave me such
kind attention,
Thanks to the Carolers' whose
songs we enjoyed,
To Queen's self care unit and all
their employees,
For christian kindness, pray-
ers and all,
I leave Philippians 1: verse 3 the
wids of Paul.
